

warm welcome

Our warm welcome extends beyond our abundant sunshine.

Announcing City of Fort Lauderdale Incentives for New and Expanding Businesses

QUALIFIED TARGET INDUSTRY

Tax refund incentives are available to companies that create high-wage, value-added jobs in targeted industries. Pre-approved applicants who create ten or more jobs can be eligible to receive tax refunds from \$3,000 to \$5,000 per new full-time equivalent job created.

TARGET INDUSTRIES:

- Advanced Materials & Hi-Tech Mfg.
- Alternative Energy & Renewable Resources
- Aviation/Aerospace
- Global Business Services
- Corporate Headquarters
- Human Resources Development & Higher Education
- International Media & Production
- International Trade & Logistics
- Life Sciences
- Marine Industry

DIRECT CASH

The Direct Cash incentive program is a local community inducement that is designed to encourage the growth of high-skill/ high-wage qualified jobs.

ENTERPRISE ZONE PROGRAM

Any City business can take advantage of substantial tax relief and other incentives by locating or expanding into an area

targeted for revitalization. Incentives include credits for job creation, refund for business equipment and building materials used in the zone, and an exemption for energy.

Our advantageous economic climate has helped the City of Fort Lauderdale establish itself as a world-class international business center and one of the most desirable locations for new, expanding, or relocating businesses.
