The Consolidated Plan provides direction for the City's use of funds under the following programs:

- HOME Investment Partnerships (HOME);
- Community Development Block Grant (CDBG); and
- Housing Opportunities for Persons with HIV/AIDS (HOPWA).

The purpose of the Consolidated Plan is to identify community, economic and housing development needs, and to develop strategies and goals to address those needs with anticipated funding from HUD federal programs over the next five years.

Each year, the City of Fort Lauderdale is required to submit an Annual Action Plan to HUD in order to receive funding for the City's Entitlement Grant Programs. Congress has released preliminary entitlement allocations for the 2016-2017 fiscal year. The 2016-2017 estimated allocations from HUD to the City for these programs are:

CDBG Program Amendment

The City of Fort Lauderdale is considering amending the 2015-2016 Annual Action Plan, within the 2015-2019 Consolidated Plan. The CDBG funds are federal funds and have no impact on the general fund budget. This amendment is in accordance with HUD regulations. The allocation and/or reallocation of CDBG funds for projects/activities will assist the Housing and Community Development Division in meeting the City's federal spending requirements. To support the spending plan, staff is proposing the following amendments:

Allocate CDBG Funds:

TO:

- Broward Partnership for the Homeless \$ 20,483.00

The request is to assist with the costs related to the paving and landscaping of the S.E. lot. The SE lot is part of the Central Homeless Assistance Center (CHAC) located at 920 NW 7th Avenue, Fort Lauderdale, Florida.
