

INFRASTRUCTURE IMPROVEMENTS COMING TO SAILBOAT BEND

Expect intermittent road and lane closures

The City of Fort Lauderdale plans to upgrade sewer infrastructure throughout the Sailboat Bend Civic Association. Work is scheduled to begin in August and end in December 2017.

Neighbors can expect temporary road and lane closures on portions of SW 8th Avenue and SW 2nd Street where the construction is taking place (see map). Please follow posted detour signs and drive with caution in the area. Neighbors will be able to access their properties while construction takes place. We do not expect service interruptions while the new infrastructure is installed.

We appreciate your patience. Please use the City's Lauderserv app or call 954-828-8000 to contact our 24-Hour Neighbor Service Center for more information.
