

CITY OF FORT LAUDERDALE

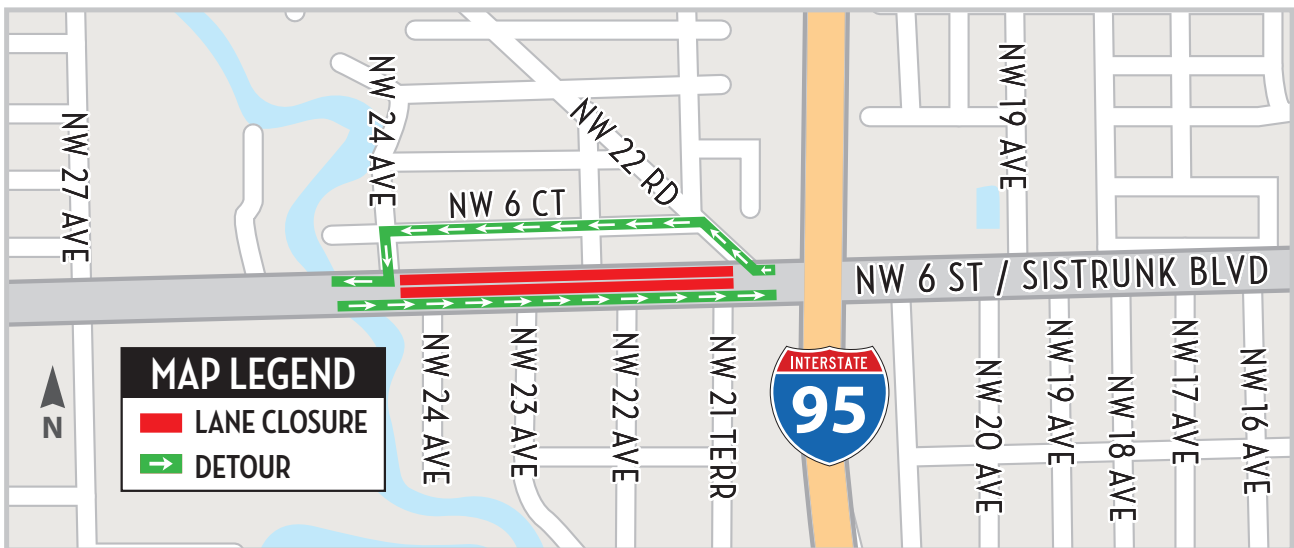

TRAFFIC ADVISORY

The following traffic restrictions are in place to allow crews to make repairs to a gravity sewer line located at NW 22 Road and Sistrunk Boulevard.

- Westbound traffic on Sistrunk Boulevard is being detoured between NW 22 Road and NW 24 Avenue using NW 6 Court.
- Eastbound traffic on Sistrunk Boulevard is reduced to one lane from NW 24 Avenue to NW 22 Road.

The traffic restrictions are expected to be in place until mid next week. While the repair work is taking place, tanker trucks will be used to keep the sewer system operating and avoid service interruptions. To report overflowing manholes or sewage spills, please call our 24-Hour Neighbor Service Center at 954-828-8000.

Thank you for your patience and cooperation.
