

INFRASTRUCTURE IMPROVEMENTS COMING TO BROWARD BOULEVARD

Expect temporary lane closures overnight

The City of Fort Lauderdale is investing in local infrastructure to continue to provide neighbors with quality services. As part of this effort, plans are underway to make improvements to our water infrastructure along Broward Boulevard and Andrews Avenue.

In an effort to minimize the impact to our neighbors, work is scheduled to take place overnight, from 8 p.m. to 6 a.m. beginning Sunday, April 15 through Friday, April 27.

Northbound Andrews Avenue will be closed from Broward Boulevard north to NE 1st Street. Two westbound lanes on Broward Boulevard will be closed between Andrews Avenue and NE 3rd Avenue, one westbound lane will remain open during construction (see map above).

We appreciate your patience as we strive to fulfill the community vision to create “The City You Never Want to Leave.” Please use the City’s Lauderserv app or call 954-828-8000 to contact our 24-Hour Neighbor Service Center for more information.
