Added on Jun 15, 2011:

ADDENDUM No. 15 dated June 15, 2011 is the "FINAL" revised Repricing Form. Attached is the latest generation of the repricing spreadsheet which is called RFP 10759 Revised Claims Repricing Form4.xls. THIS WAS DONE AS SOME CONTRACTORS NEEDED THIS INFORMATION TO DO THEIR REPRICING.

The date of birth and gender of the patient are on the file. The diagnosis code list was expanded but only a couple of records yielded an additional code. The procedure list was expanded. The labels were adjusted to note that the modifier applies to Procedure Code 1 only and the Billed amount refers to Procedure Code 1 only. We expect the allowed amount that is included in the responders' files will relate to Procedure Code 1 only. If they are unable to burst their expenses they should put a note on the appropriate record and we will adjust accordingly. A footnote was made in the file to that effect.

If a contractor has already prepared their repricing data in the prior format (RFP 10759 - 2011 TPA Repricing Form Updated 2.xls), we are fine with that, it is up to you if you are comfortable with your results.

Added on Jun 20, 2011:

ADENDUM NO. 16 dated June 20, 2011 is to revise the Pricing Form (which is attached and called RFP 10759 Revised Claims Repricing Form5.xls) as Some respondents had difficulty providing procedure-specific facility charges so the City has added a another option to the repricing form allowing respondents to provide pricing based on DRGs and outpatient hospital expenses. Bidders can follow this option or submit their data using the original data repricing request. Questions can be directed to the City's Actuary (Alison Pool) at Wakely Consultants at 727-507-9858 (EXT 7469)

City of Fort Lauderdale
RFP # 115-10759 Single-Source, Managed Care Third Party Administrator (TPA) for the
City of Fort Lauderdale's Self-Funded Group Health, Vision and Wellness Programs

1. INTRODUCTION

1.1 Overview

The City of Fort Lauderdale implemented a self-funded health and vision plan in September 2000. Currently there are 1,913 active employees and retirees enrolled in the plan with a total of 4,515 members. AvMed has been the TPA since 2003. Subscribers may choose from four (4) different benefit options, an open access HMO plan with a high and low option and an open access POS plan with a high and low option. Participating groups include the General Employees (Teamsters), Firefighters (IAFF), Supervisors (Federation) and Management-Confidential (non-union).

The vision plan is administered under the current TPA contract and provides members with an annual reimbursement of up to \$250 for all vision expenses, including but not limited to, exams, eyeglasses, sunglasses and contact lenses from any vision provider. There is no requirement to use the AvMed network of vision providers.

Proposers need to incorporate the current wellness programs that are highlighted below into their services:

- a. Management Wellness Plan – There are currently 550 management employees who are eligible to participate in this program. Participants who complete the required steps receive an annual wellness incentive of \$500. To receive the incentive, participants are required to complete biometric screenings (full cholesterol reading glucose, blood pressure BMI, and weight and height) at the beginning and end of their individual 12-month cycles and complete a full health risk assessment (HRA) at the beginning of the program and an abbreviated HRA at the end of the 12-month cycle. Based on the initial biometric information and full HRA, the wellness administrator stratifies the participants based on risk level and assigns a health coach to assist the member in establishing and achieving wellness goals. Participation with the wellness coaches is required. It is the City's expectation that these management program components will be continued as currently designed.
- b. Non-management employees – The City offers non-management employees a \$20 incentive on an annual basis for the completion of biometric screenings and a health risk assessment (HRA).
- c. All Employees – A wellness web site was developed specifically for all members enrolled in the City's health plan. This web site provides up-to-date information and links to specific health information targeting healthy lifestyles.

The Management Wellness plan is currently provided by HealthWays through a contract with AvMed. AvMed also provides other wellness programs for City employees.

The following programs are not currently administered by the TPA:

- City's prescription drug services (PBM contract) are carved out of the TPA contract and will continue to be administered by Express Scripts Inc. (ESI).
- City's COBRA administration will continue to be performed in-house
- City's 2011 stop-loss policy is underwritten by Companion Life Insurance and a separate reinsurance RFP will be released later this year for the 2012 reinsurance policy.
- City's IRS flexible spending accounts (FSAs) are currently administered by Aflac and the successful TPA could be awarded the Section 125 FSAs.

The Contractor shall be compensated for the service at the rate in effect when this extension clause is invoked by the City.

6. EVALUATION PROCESS

6.1 Evaluation Committee Meetings

An evaluation committee of qualified City Staff or other persons selected by the City will conduct evaluations of proposals. It may be a two-step process. In step one; the committee will evaluate all responsive proposals based upon the information and references contained in the proposals as submitted. The committee will score and rank all responsive proposals and determine a minimum of three (3), if more than three (3) proposals are responsive, to be finalists for further consideration. In the event there are less than three (3) responsive proposals, the committee will give further consideration to all responsive proposals received. In step two, the committee may then conduct discussions (oral presentations), for clarification purposes only, with the finalists and re-score and re-rank the finalists' proposals. The evaluation committee may then make a recommendation, resulting from this process, to the City Manager for award of a contract.

The City may require visits to customer installations or demonstrations of product by Contractor's, as part of the evaluation process.

The City of Fort Lauderdale reserves the right, before awarding the contract, to require a Proposer to submit any evidence of its qualifications as the City may deem necessary, and to consider any evidence available of financial, technical and other qualifications and capabilities, including performance experience with past and present users.

The City of Fort Lauderdale reserves the right to request additional clarifying information and request an oral presentation from any and all Proposers prior to determination of award.

The City reserves the right to award the contract to that Proposer who will best serve the interest of the City. The City reserves the right based upon its deliberations and in its opinion, to accept or reject any or all proposals. The City also reserves the right to waive minor irregularities or variations to the specifications and in the bidding process.

The City uses a mathematical formula for determining allocation of cost points to each responsive, responsible proposer. The lowest, responsive, responsible proposer receives the maximum allowable points. When using this formula, a proposer that submits a cost or fee which is two times greater than the cost/fee of the lowest responsive, responsible proposer, will result in receiving zero points for cost. This formula will be used for both the projected sample of Claims Repricing and the Administrative Costs for the first three years.

2^{nd} lowest cost minus lowest cost = X

X divided by lowest cost = Y

Y times the total number of cost points = Z

Total number of cost points minus Z = points assigned to 2^{nd} lowest vendor and so on.

When using this formula, a proposer that submits a cost or fee which is two times greater than the cost or fee of the lowest responsive, responsible proposer will result in receiving zero points for cost.

of Fort Lauderdale's Self-Funded Group Health, Vision and Wellness Programs

PART III BIDDING AND AWARD PROCEDURES:

- 3.01 SUBMISSION AND RECEIPT OF BIDS:** To receive consideration, bids must be received prior to the bid opening date and time. Unless otherwise specified, Bidder's should use the proposal forms provided by the City. These forms may be duplicated, but failure to use the forms may cause the bid to be rejected. Any erasures or corrections on the bid must be made in ink and initialed by Bidder in ink. All information submitted by the Bidder shall be printed, typewritten or filled in with pen and ink. Bids shall be signed in ink. Separate bids must be submitted for each ITB issued by the City in separate sealed envelopes properly marked. When a particular ITB or RFP requires multiple copies of bids or proposals they may be included in a single envelope or package properly sealed and identified. Only send bids via facsimile transmission (FAX) if the ITB specifically states that bids sent via FAX will be considered. If such a statement is not included in the ITB, bids sent via FAX will be rejected. Bids will be publicly opened in the Procurement Office, or other designated area, in the presence of Bidders, the public, and City staff. Bidders and the public are invited and encouraged to attend bid openings. Bids will be tabulated and made available for review by Bidder's and the public in accordance with applicable regulations.
- 3.02 MODEL NUMBER CORRECTIONS:** If the model number for the make specified in this ITB is incorrect, or no longer available and replaced with an updated model with new specifications, the Bidder shall enter the correct model number on the bidder proposal page. In the case of an updated model with new specifications, Bidder shall provide adequate information to allow the City to determine if the model bid meets the City's requirements.
- 3.03 PRICES QUOTED:** Deduct trade discounts, and quote firm net prices. Give both unit price and extended total. In the case of a discrepancy in computing the amount of the bid, the unit price quoted will govern. All prices quoted shall be F.O.B. destination, freight prepaid (Bidder pays and bears freight charges, Bidder owns goods in transit and files any claims), unless otherwise stated in Special Conditions. Each item must be bid separately. No attempt shall be made to tie any item or items contained in the ITB with any other business with the City.
- 3.04 TAXES:** The City of Fort Lauderdale is exempt from Federal Excise and Florida Sales taxes on direct purchase of tangible property. Exemption number for EIN is 59-6000319, and State Sales tax exemption number is 85-8013875578C-1.

In such cases, the City will be receptive to any unit that would be considered by qualified City personnel as an approved equal. In that the specified make and model represent a level of quality and features desired by the City, the Bidder must state clearly in the bid any variance from those specifications. It is the Bidder's responsibility to provide adequate information, in the bid, to enable the City to ensure that the bid meets the required criteria. If adequate information is not submitted with the bid, it may be rejected. The City will be the sole judge in determining if the item bid qualifies as an approved equal.
- 3.07 MINIMUM AND MANDATORY TECHNICAL SPECIFICATIONS:** The technical specifications may include items that are considered minimum, mandatory, or required. If any Bidder is unable to meet or exceed these items, and feels that the technical specifications are overly restrictive, the bidder must notify the Procurement Services Department immediately. Such notification must be received by the Procurement Services Department prior to the deadline contained in the ITB, for questions of a material nature, or prior to five (5) days before bid due and open date, whichever occurs first. If no such notification is received prior to that deadline, the City will consider the technical specifications to be acceptable to all bidders.
- 3.08 MISTAKES:** Bidders are cautioned to examine all terms, conditions, specifications, drawings, exhibits, addenda, delivery instructions and special conditions pertaining to the ITB. Failure of the Bidder to examine all pertinent documents shall not entitle the bidder to any relief from the conditions imposed in the contract.
- 3.09 SAMPLES AND DEMONSTRATIONS:** Samples or inspection of product may be requested to determine suitability. Unless otherwise specified in Special Conditions, samples shall be requested after the date of bid opening, and if requested should be received by the City within seven (7) working days of request. Failure to provide samples or demonstrations as specified by the City may result in rejection of a bid.
- 3.10 LIFE CYCLE COSTING:** If so specified in the ITB, the City may elect to evaluate equipment proposed on the basis of total cost of ownership. In using Life Cycle Costing, factors such as the following may be considered: estimated useful life, maintenance costs, cost of supplies, labor intensity, energy usage, environmental impact, and residual value. The City reserves the right to use those or other applicable criteria, in its sole opinion that will most accurately estimate total cost of use and ownership.

Bid security will be returned to the unsuccessful bidders as soon as practicable after opening of bids. Bid security will be returned to the successful bidder after acceptance of the performance bond, if required; acceptance of insurance coverage, if required; and full execution of contract documents, if required; or conditions as stated in Special Conditions.

If the Proposer believes any of the information contained in his or her response is exempt from the Public Records Law, then the Proposer, must in his or her response, specifically identify the material which is deemed to be exempt and cite the legal authority for the exemption. The City's determination of whether an exemption applies shall be final, and the Proposer agrees to defend, indemnify, and hold harmless the City and the City's officers, employees, and agents, against any loss or damages incurred by any person or entity as a result of the City's treatment of records as public records.

- 3.17 RESERVATIONS FOR AWARD AND REJECTION OF BIDS:** The City reserves the right to accept or reject any or all bids, part of bids, and to waive minor irregularities or variations to specifications contained in bids, and minor irregularities in the bidding process. This Agreement is made and entered into this ____day of _____, 2011, by and between the City of Fort Lauderdale, a Florida municipality (hereinafter referred to as the "Covered Entity" or "City") and _____, a _____ corporation authorized to transact business in the State of Florida (hereinafter referred to as "Business Associate").

WHEREAS, the Covered Entity and the Business Associate have established a business relationship in which Business Associate, acting for or on behalf of Covered Entity, receives Protected Health Information as defined by the Health Insurance Portability and Accountability Act of 1996 ("Act"); and

WHEREAS, the Covered Entity and the Business Associate desire to comply with the requirements of the Act's Privacy Rule as further set out below.

NOW, THEREFORE, in consideration of the mutual covenants, promises and agreements set forth herein, the Covered Entity and the Business Associate agree as follows:

1. Definitions

a. Terms used, but not otherwise defined, in this Agreement shall have the same meaning as those terms in the Privacy and Security Rules ("Privacy Rule"), as codified in 45 Code of Federal Regulations Parts 160 through 164, as may be amended.

2. Obligations and Activities of Business Associate

a. Business Associate agrees to not use or disclose Protected Health Information other than as permitted or required by the Agreement or as Required by Law.

b. Business Associate agrees to use appropriate safeguards to prevent use or disclosure of the Protected Health Information other than as provided for by this Agreement.

c. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Agreement.

d. Business Associate agrees to report to Covered Entity any use or disclosure of the Protected Health Information not provided for by this Agreement of which it becomes aware.

e. Business Associate agrees to ensure that any agent or subcontractor, to whom it provides Protected Health Information received from, or created or received by Business Associate on behalf of Covered Entity, agrees to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such information.

f. Business Associate agrees to provide access, at the request of Covered Entity, and in a reasonable time and manner, to Protected Health Information in a Designated Record Set, to Covered Entity or, as directed by Covered Entity, to an Individual in order to meet the requirements under 45 C.F.R. § 164.524, if the Business Associate has Protected Health Information in a Designated Record Set.

g. Business Associate agrees to make any amendment(s) to Protected Health Information in a Designated Record Set that the Covered Entity directs or agrees to pursuant to 45 C.F.R. § 164.526 at the request of Covered Entity or an Individual, in a reasonable time and manner, if Business Associate has Protected Health Information in a Designated Record Set.

h. Business Associate agrees to make internal practices, books, and records, including policies and procedures and Protected Health Information, relating to the use and disclosure of Protected Health Information received from, or created or received by Business Associate on behalf of, Covered Entity available to the Covered Entity, or to the Secretary, in a reasonable time and manner or as designated by the Secretary, for purposes of the Secretary determining Covered Entity's compliance with the Privacy Rule.

i. Business Associate agrees to document such disclosures of Protected Health Information and information related to such disclosures as would be required for Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

j. Business Associate agrees to provide to Covered Entity or an Individual, within thirty (30) days of receipt of a written request from the Covered Entity or an Individual, information collected in accordance with Section 2.i of this Agreement, to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

k. Sections 164.308, 164.310, 164.312, and 164.316 of Title 45, Code of Federal Regulations, shall apply to Business Associate in the same manner that such sections apply to Covered Entity.

l. Business Associate shall comply with the privacy, security, and security breach notification provisions applicable to a business associate pursuant to Subtitle D of the Health Information Technology for Economic and Clinical Health Act which is Title XIII of Division A of the American Recovery and Reinvestment Act of 2009 (Public Law 111-5), 42 U.S.C.A. §13400 *et seq.* (2010), as may be amended or revised, ("HITECH"), any regulations promulgated thereunder, and any amendments to the Privacy Rule, all of which are hereby incorporated herein by reference.

3. Permitted Uses and Disclosures by Business Associate

a. Except as otherwise limited in this Agreement, Business Associate may use or disclose Protected Health Information to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the Pharmacy Benefit Management Agreement, No. 195-10309, between the City of Fort Lauderdale and the Business Associate ("Original Contract"), provided that such use or disclosure would not violate the Privacy Rule if done by Covered Entity or the minimum necessary policies and procedures of the Covered Entity.

4. Specific Use and Disclosure Provisions

a. Except as otherwise limited in this Agreement, Business Associate may use Protected Health Information for the proper management and administration of the Business Associate or to carry out the legal responsibilities of the Business Associate.

b. Except as otherwise limited in this Agreement, Business Associate may disclose Protected Health Information for the proper management and administration of the Business Associate, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required By Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

c. Except as otherwise limited in this Agreement, Business Associate may use Protected Health Information to provide Data Aggregation services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B).

d. Business Associate may use Protected Health Information to report violations of law to appropriate Federal and State authorities, consistent with 45 C.F.R. § 164.502(j)(1).

5. Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any limitation(s) in its notice of privacy practices of Covered Entity in accordance with 45 C.F.R. § 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of Protected Health Information.

b. Covered Entity shall notify Business Associate of any changes in, or revocation of, permission by Individual to use or disclose Protected Health Information, to the extent that such changes may affect Business Associate's use or disclosure of Protected Health Information.

c. Covered Entity shall notify Business Associate of any restriction to the use or disclosure of Protected Health Information that Covered Entity has agreed to in accordance with 45 C.F.R. § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of Protected Health Information.

6. Permissible Requests by Covered Entity

a. Covered Entity shall not request Business Associate to use or disclose Protected Health Information in any manner that would not be permissible under the Privacy Rule if done by Covered Entity, except that Business Associate may use or disclose Protected Health Information for data aggregation or management and administrative activities of Business Associate if required by the terms of the Original Contract.

7. Term and Termination

a. The Term of this Agreement shall be effective as of the effective date of the Original Contract, and shall terminate when the Original Contract terminates. Upon termination, all of the Protected Health Information provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, shall be destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy Protected Health Information, or if it is illegal to destroy Protected Health Information, the protections are extended to such information, in accordance with the termination provisions in this Section.

b. Upon either party's knowledge of a material breach by the other party, the nonbreaching party shall either:

1. Provide an opportunity of at least thirty (30) days for the breaching party to cure the breach or end the violation and terminate this Agreement and the Original Contract if the breaching party does not cure the breach or end the violation within the time specified by the nonbreaching party;

2. Immediately terminate this Agreement and the Original Contract if the breaching party has breached a material term of this Agreement and cure is not possible; or

3. If neither termination nor cure is feasible, the nonbreaching party shall report the violation to the Secretary.

c. Effect of Termination

1. Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, Business Associate shall return, or destroy, except as prohibited by the Florida public records law, all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

2. In the event that Business Associate's return or destruction of the Protected Health Information would be infeasible or illegal, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further uses and disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible or illegal, for so long as Business Associate maintains such Protected Health Information. Upon written request from the Covered Entity, Business Associate shall provide to Covered Entity notification of the conditions that make return or destruction infeasible or illegal. At all times Business Associate shall comply with the Florida public records law and exemptions therefrom, and applicable Florida records retention requirements.

8. Miscellaneous

a. A reference in this Agreement to a section in the Privacy Rule means the section as in effect or as amended or revised.

b. The Parties agree to take such action as is necessary to amend this Agreement from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy Rule and the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191. If the parties are unable to reach agreement regarding an amendment to this Agreement, either Business Associate or

Covered Entity may terminate this Agreement upon ninety (90) days written notice to the other party.

c. The respective rights and obligations of Business Associate under Sections 7(c)(1) and 7(c)(2) of this Agreement shall survive the termination of this Agreement.

d. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule.

e. Business Associate shall indemnify, hold harmless, and defend at Business Associate's expense, counsel being subject to Covered Entity's approval, the Covered Entity, and the Covered Entity's officers and employees (collectively "indemnitees"), against any and all claims, actions, lawsuits, damages, losses, liabilities, judgments, fines, penalties, costs, and expenses incurred by any of the indemnitees arising out of or in connection with Business Associate's or any of Business Associate's officers', employees', agents', or subcontractors' breach of this Agreement or any act or omission by Business Associate or by any of Business Associate's officers, employees, agents, or subcontractors, including Business Associate's failure to perform any of its obligations under the Privacy Rule. Business Associate shall pay any and all expenses, fines, judgments, and penalties, including court costs and attorney fees, which may be imposed upon any of the indemnitees resulting from or arising out of Business Associate's or any of Business Associate's officers', employees', agents', or subcontractors' breach of this Agreement or other act or omission.

f. Venue for any lawsuit or any other legal proceedings brought by either party against the other party or otherwise arising out of this Agreement, shall be in Broward County, Florida, or, in the event of federal jurisdiction, in the United States District Court for the Southern District of Florida, with appellate jurisdiction in the respective corresponding appellate tribunals.

ADDENDUM NO. 3

RFP 115-10759
SINGLE SOURCE MANAGED CARE THIRD-PARTY ADMINISTRATOR

ISSUED May 26th, 2011

1. The following has been added to the RFP specifications:

Fully Insured Vision Plan

Proposing companies that provide vision plans are invited to include a proposal for a stand-alone fully-insured vision plan with their health TPA proposal. The vision premiums are not to be contingent on the company being selected to provide the health plan administration. Fully Insured premiums are requested to be provided on a five-tier basis as outlined below:

1. Employee
2. Employee and spouse
3. Employee and 1 child
4. Employee and 2 or more children
5. Employee and spouse and children

If five tier rates are not available, four tier rates that combine child and children will be considered. Use the form that follows to submit your rates in Section II of the proposal.

The current vision plan claims and enrollment are included in the AvMed claim reports included in the underwriting folder.

Suggested plan specifications are in the attached excel file (2011 RFP TPA Sample Vision Plan) Include a complete description including limitations and exclusions of your proposed plan in Section I of your proposal.

Proposers must provide a list of five (5) group vision clients including municipalities with more than 500 covered employees (preferably clients with as many or more employees than the City of Fort Lauderdale). Include names of persons who may be contacted along with phone numbers and email addresses (can be "shared references" with medical plan as long as they have both coverages). One of these references should be a company that has terminated your vision plan. This list should be marked Vision References and included in Section VI of your proposal.

TO: All Benefit Eligible City Employees
RE: 2010 Changes to the City's Self-Funded AvMed Plans

During the past four years the City has lowered employee healthcare premiums while retaining the same high-quality health coverages. During 2010, the City will fund 89% of the self-funded AvMed plan for active employees but is realizing double-digit increases in medical claims.

In order to retain the same quality City health coverages for participants and to ensure the financial stability of our plan, the City has changed prescription drug carriers beginning March 1st and must increase employee healthcare premiums & copays beginning April 1st. These changes have been reviewed with all impacted bargaining units.

March 1, 2010 Effective Date

**Express Scripts is the New Prescription-Drug Claims Administrator
 AvMed is mailing new participant cards for BOTH medical and Rx drugs to your home**

1. There are no changes to the pharmacy copays for retail or mail-order drugs.
2. The new formulary drug listing is attached – if you have used one of the affected formulary drugs in the past 6 months a letter will be sent to your home notifying you that you are taking a non-preferred brand drug.

	<u>30-day prescription supply</u>	<u>90-day mail order prescription supply</u>
- Generic (lower case on attached)	\$10 copay	\$20 copay
- Preferred Brand (upper case on attached)	\$20 copay	\$40 copay
- Non-Preferred Brand (samples on attached)	\$35 copay	\$70 copay

3. For those using mail-order drugs in the past 6 months, your prescription has been automatically transferred to Express Scripts for processing after March 1, 2010. Please allow 7 days for the scripts to be loaded. If you have a prescription for a controlled substance, your prescription will not transfer. In addition, prescriptions over a year old will not transfer.
4. All the same drug stores are available with Express Scripts.

April 1, 2010 Effective Date

1. 10% increase in healthcare contributions for employees, retirees & COBRA participants (attached)
2. Copays will be increased for certain healthcare services (attached)

Please note the continued low \$40 copay for Urgent Care Facilities

If you have questions or a want to make changes to your healthcare coverages in conjunction with this announcement: **CONTACT THE BENEFITS OFFICE BY 5PM WEDNESDAY (3/17/2010)**

ADDENDUM NO. 10

RFP 115-10759

SINGLE SOURCE MANAGED CARE THIRD-PARTY ADMINISTRATOR (TPA)
 ISSUED: June 1, 2011

Question: The attachments in question are numbers 7 and 8. Both have similar information however each are labeled differently, number 7 says its the "Claims Repricing form 2" and the other is labeled "TPA Total Census"; please confirm which we should use.

Answer: Attachment 7 called – RFP 10759 Claims Repricing Form2 is the same as Attachment 8 called – RFP 10759 TPA Total Census. The only difference is that Attachment 8 has subtotal lines and attachment 7 does not.

The City will delete both documents called RFP 10759 Claims Repricing Form2 and RFP 10759 TPA Total Census (this document was labeled incorrectly), and this will be replaced by NEW document called Revised Claims Repricing Form3.

The NEW document called Revised Claims Repricing Form3 is the only claims repricing document that the City will require with your RFP response.

All other terms, conditions, and specifications remain unchanged.

This Addendum No. 10 SHOULD be submitted with your RFP Proposal, (RFP 105-10759) or acknowledged on the Bid/Proposal Signature Page in this RFP.

TO: All Benefit Eligible City Employees
RE: 2010 Changes to the City's Self-Funded AvMed Plans

During the past four years the City has lowered employee healthcare premiums while retaining the same high-quality health coverages. During 2010, the City will fund 89% of the self-funded AvMed plan for active employees but is realizing double-digit increases in medical claims.

In order to retain the same quality City health coverages for participants and to ensure the financial stability of our plan, the City has changed prescription drug carriers beginning March 1st and must increase employee healthcare premiums & copays beginning April 1st. These changes have been reviewed with all impacted bargaining units.

March 1, 2010 Effective Date

**Express Scripts is the New Prescription-Drug Claims Administrator
 AvMed is mailing new participant cards for BOTH medical and Rx drugs to your home**

1. There are no changes to the pharmacy copays for retail or mail-order drugs.
2. The new formulary drug listing is attached – if you have used one of the affected formulary drugs in the past 6 months a letter will be sent to your home notifying you that you are taking a non-preferred brand drug.

30-day prescription supply

90-day mail order prescription supply

- Generic (lower case on attached)	\$10 copay	\$20 copay
- Preferred Brand (upper case on attached)	\$20 copay	\$40 copay
- Non-Preferred Brand (samples on attached)	\$35 copay	\$70 copay

3. For those using mail-order drugs in the past 6 months, your prescription has been automatically transferred to Express Scripts for processing after March 1, 2010. Please allow 7 days for the scripts to be loaded. If you have a prescription for a controlled substance, your prescription will not transfer. In addition, prescriptions over a year old will not transfer.
4. All the same drug stores are available with Express Scripts.

April 1, 2010 Effective Date

1. 10% increase in healthcare contributions for employees, retirees & COBRA participants (attached)
2. Copays will be increased for certain healthcare services (attached)

Please note the continued low \$40 copay for Urgent Care Facilities

ADDENDUM NO. 4

RFP 115-10759

SINGLE SOURCE MANAGED CARE THIRD-PARTY ADMINISTRATOR

ISSUED May 26th, 2011

1. The following has been added to the specifications:

Fully Insured Health Premiums

In addition to the request for TPA services, the City of Fort Lauderdale is requesting that proposing companies include fully-insured health premiums based on much of the same criteria as the self-funded estimates as highlighted below:

- Effective date for the fully insured plan would be January 1, 2012. The wellness programs described in the RFP would still be effective October 1, 2011.
- Current benefit levels implemented 2011 that are detailed in the RFP already released.
- Pharmacy benefits should not be included in the fully-insured proposals.
- Inclusion of the \$50,000 wellness allowance requested in the RFP.
- All of the wellness programs described in the RFP including the effective date.
- Three-year premium parameters including guaranteed health trend and retention including margin and pooling charge assuming a \$225,000 pooling level. The contract will also allow for two additional one-year renewals.
- Five-tier premium structure as outlined below.
 1. Employee
 2. Employee and spouse
 3. Employee and 1 child
 4. Employee and 2 or more children
 5. Employee and spouse and children

Use the Fully-Insured Health Premium Form that follows to submit your rates in Section II of the proposal.

An Underwriting Folder will be posted on Bid Sync which will contain additional claims experience:

- a. AvMed experience reports for the last three years including Rx and vision claims
- b. Specific reinsurance plan experience and rate history.
- c. Benefit plan description for 2006 through 2010.
- d. Claim lag reports.

We are requesting that a separate list of deviations be included for this Fully-Insured Addendum regarding benefits or other items requested in the RFP that cannot be accommodated in your proposal.

Proposers must provide a list of five (5) fully-insured group health clients including municipalities with more than 500 covered employees (preferably with as many or more than the City of Fort

Lauderdale). One of the references should be a company that has terminated the group health plan. Include names of persons who may be contacted along with their phone numbers and email addresses (can be “shared references” with vision plan as long as they have both coverages). Label this list Fully-Insured Health Plan References and include in Section VI of your proposal.

Evaluation Criteria

In the evaluation of the responses to this RFP and in making a recommendation for award, the Evaluation Committee will consider the same factors that are provided for the self-funded health plan with the addition of a separate evaluation of the Cost Factors. Information submitted in response to this RFP as well as information obtained from references and/or interviews with the firms (if required) will be used during the evaluation process.

Under each criteria is listed the items that may be used to evaluate the criteria.

Answer

- An updated data file will be posted in Bidsync with the requested data covering samples 1-63, except for line number # which appears to be something internal the City does not have. It appears that some of your requested data had already been posted so you may want to clarify any further data requests that are posted directly with the City's actuary, Alison Pool of the Wakely Group, at 727-507-9858 (extension 7469).

Your other request regarding samples 64-200 are both affirmative - each sample claim is equal to one unit (if not otherwise noted) and the sample claim represents the charge amount for the listed procedure code. (Answered: Jun 13, 2011 2:57:15 PM EDT)
