

Contract No.: 673-9687-1

Agreement to Supply: BULK TRASH SEPARATION, RECYCLING AND DISPOSAL SERVICES

This agreement, made and entered into this the 10 day of October, 2007, is by and between the **CITY OF FORT LAUDERDALE**, a Florida municipality, City Hall, 100 North Andrews Avenue, Fort Lauderdale, FL 33301, hereinafter called the "City" and

Name of Contractor:

Envirocycle, Inc.

Address: 849 SW 21 Terrace City: Fort Lauderdale State: FL Zip: 33312

A Corporation A Partnership An Individual Other: _____

hereinafter called the "Company" or "Contractor." Witnesseth that: Whereas, the City did advertise and issue an Invitation to Bid (ITB) for supplying the requirements of the City for the items and/or service listed above, for a period of **two years with three one-year extension options** and the Contractor submitted a bid that was accepted and approved by the City.

Formal authorization of this contract was adopted by the City Commission on: April 17, 2007 Pur-11

Now, therefore, for and in consideration of the premises and the mutual covenants herein contained, the parties covenant and agree as follows:

1. The Company agrees to provide to the City bulk trash separation, recycling, and disposal services during the period beginning 05/01/07 and ending 04/30/09 for the requirements listed above and according to the following specifications, terms, covenants and conditions:

- a. This contract form G-110, the Invitation to Bid containing General Conditions, Special Conditions, Specifications, addenda, if any, and other attachments forming a part of ITB Number **673-9687** and the Contractor's proposal in response, form a part of this contract and by reference are incorporated herein.
- b. In construing the rights and obligations between the parties, the order of priority in cases of conflict between the documents shall be as follows:
- 1) This contract Form G-110, Rev. 12/00
 - 2) The City's ITB and all addenda thereto
 - 3) Contractor's proposal in response to the City's ITB

c. **Warranty:** The Company by executing this contract embodying the terms herein warrants that the product and/or service that is supplied to the City shall remain fully in accord with the specifications and be of the highest quality. In the event any product and/or service as supplied to the City is found to be defective or does not conform to specifications the City reserves the right to cancel that order upon written notice to the Contractor and to adjust billing accordingly.

d. **Cancellation:** The City may cancel this contract upon notice in writing should the Contractor fail to reasonably perform the service of furnishing the products and/or services as specified herein upon 30 days written notice. This applies to all items of goods or services.

e. **Taxes Exempt:** State Sales (#16-03-196479-54C) and Federal Excise (#59-600319) Taxes are normally exempt, however, certain transactions are taxable. Consult your tax practitioner for guidance where necessary.

f. **Invoicing:** Contractor will forward all invoices in duplicate for payment to the following: Finance Department, 100 N. Andrews Avenue, 6th Floor, Fort Lauderdale, FL 33301. If discount, other than prompt payment terms applies, such discount **MUST** appear on the invoice.

2. **Contract Special Conditions:** The following special conditions are made a part of and modify the standard provisions contained in this contract Form G-110.

This contract is for separation, recycling, and disposal of an estimated amount of 15,000 tons of mixed debris waste (Item No. 673-9687-1-01), and an estimated amount of 1,000 tons of clean yard waste (Item No. 673-9687-1-02) per contract year.

3. **Contract Summary:**

a. Attachments:

Envirocycle, Inc.'s response to the ITB and a copy of the ITB document.

b. Payment Terms: Net 30

c. Delivery: 1 day

d. Insurance: Yes No

e. Performance Bond/Letter of Credit: Yes No

f. Procurement Specialist's Initials: RA

4. **Contractor's Phone Numbers:** Office: 954-327-9580

5. **Contractor's Fax Number:** 954-583-2443

6. **Contractor's E-Mail Address:** powersj@respsrv.com

Envirocycle, Inc.
Supplemental Information
Bid # 673-9687

Section 11

Bidders shall therefore be requested to provide as an attachment, detailed information relating to the following:

1. A complete and detailed description of the physical building facility, equipment and manpower available and utilized for the processing and separation of materials.

Envirocycle operates and maintains a 33,000 square foot tipping floor to accommodate the off-loading and separation of materials. The Equipment list includes 2 - John Deere 624 wheel loaders, 1 - Caterpillar 938 wheel loader and 1 - Case 95 XT skid steer loader. Manpower utilized in processing and separation of materials includes 4 - equipment operators, 2 - material sorters and 1 - tipping floor spotter.

2. A detailed description of your program, methods and procedures for the separation of bulk waste.

Delivered materials are off-loaded on the facility tipping floor where recoverable items can be identified and separated by the material sorters with assistance by the equipment operators.

3. The general classes and specific types of materials that will be separated for recycling purposes.

Materials separated for recycling include green waste, metals, tires, concrete products and old corrugated containers (OCC). Separated materials are staged for further processing and/or loaded into dedicated vehicles for transport.

4. The availability and general locations of sources utilized for the sale of such recyclables materials.

Envirocycle currently utilizes the following facilities for the processing of recyclable materials:

- ◆ *OCC - Smurfit-Stone, Fort Lauderdale, Florida*
- ◆ *Metals - Sunrise Metal Recycling, LLC., Fort Lauderdale, Florida*

- ◆ *Green waste – Nu Way Recycling, Martin County, Florida*
- ◆ *Concrete products & clean fill – Foreman Lake Fill, Davie, Florida*

5. The proposed disposal sites and equipment available for the handling, loading and transportation of residue materials not accepted for recycling purposes.

Proposed disposal sites for un-recoverable materials include the following:

- ◆ *Processable Residual Material – Wheelabrator, Fort Lauderdale, Florida*
- ◆ *Unprocessable Residual Class III Material – Omni Waste Landfill, Holopaw, Florida and Cedar Trail Landfill, Bartow, Florida*

Equipment available and utilized for the handling, loading and transporting of residual material not accepted for recycling include:

- ◆ *Handling & Loading - John Deere 624 or Caterpillar 938 wheel loaders*
- ◆ *Transportation – Diesel road tractors and 100 cubic yard walking floor transfer trailers along with open-top industrial roll-off containers*

6. Any additional information the bidders wish to have reviewed.

Supplemental Information
Bid # 673-9687

Section 11

Bidders shall therefore be requested to provide as an attachment, detailed information relating to the following:

1. A complete and detailed description of the physical building facility, equipment and manpower available and utilized for the processing and separation of materials.

Envirocycle operates and maintains a 33,000 square foot tipping floor to accommodate the off-loading and separation of materials. The Equipment list includes 2 - John Deere 624 wheel loaders, 1 - Caterpillar 938 wheel loader and 1 - Case 95 XT skid steer loader. Manpower utilized in processing and separation of materials includes 4 - equipment operators, 2 - material sorters and 1 - tipping floor spotter.

2. A detailed description of your program, methods and procedures for the separation of bulk waste.

Delivered materials are off-loaded on the facility tipping floor where recoverable items can be identified and separated by the material sorters with assistance by the equipment operators.

3. The general classes and specific types of materials that will be separated for recycling purposes.

Materials separated for recycling include green waste, metals, tires, concrete products and old corrugated containers (OCC). Separated materials are staged for further processing and/or loaded into dedicated vehicles for transport.

4. The availability and general locations of sources utilized for the sale of such recyclables materials.

Envirocycle currently utilizes the following facilities for the processing of recyclable materials:

- ◆ *OCC - Smurfit-Stone, Fort Lauderdale, Florida*
- ◆ *Metals - Sunrise Metal Recycling, LLC., Fort Lauderdale, Florida*

- ◆ *Green waste – Nu Way Recycling, Martin County, Florida*
- ◆ *Concrete products & clean fill – Foreman Lake Fill, Davie, Florida*

5. The proposed disposal sites and equipment available for the handling, loading and transportation of residue materials not accepted for recycling purposes.

Proposed disposal sites for un-recoverable materials include the following:

- ◆ *Processable Residual Material – Wheelabrator, Fort Lauderdale, Florida*
- ◆ *Unprocessable Residual Class III Material – Omni Waste Landfill, Holopaw, Florida and Cedar Trail Landfill, Bartow, Florida*

Equipment available and utilized for the handling, loading and transporting of residual material not accepted for recycling include:

- ◆ *Handling & Loading - John Deere 624 or Caterpillar 938 wheel loaders*
- ◆ *Transportation – Diesel road tractors and 100 cubic yard walking floor transfer trailers along with open-top industrial roll-off containers*

6. Any additional information the bidders wish to have reviewed.

AUTHORIZED SIGNATURE James B Powers

NON-COLLUSION STATEMENT:

By signing this offer, the vendor/contractor certifies that this offer is made independently and *free* from collusion. Vendor shall disclose below any City of Fort Lauderdale, FL officer or employee, or any relative of any such officer or employee who is an officer or director of, or has a material interest in, the vendor's business, who is in a position to influence this procurement.

Any City of Fort Lauderdale, FL officer or employee who has any input into the writing of specifications or requirements, solicitation of offers, decision to award, evaluation of offers, or any other activity pertinent to this procurement is presumed, for purposes hereof, to be in a position to influence this procurement.

For purposes hereof, a person has a material interest if they directly or indirectly own more than 5 percent of the total assets or capital stock of any business entity, or if they otherwise stand to personally gain if the contract is awarded to this vendor.

In accordance with City of Fort Lauderdale, FL Policy and Standards Manual, 6.10.8.3,

- 3.3. City employees may not contract with the City through any corporation or business entity in which they or their immediate family members hold a controlling financial interest (e.g. ownership of five (5) percent or more).
- 3.4. Immediate family members (spouse, parents and children) are also prohibited from contracting with the City subject to the same general rules.

Failure of a vendor to disclose any relationship described herein shall be reason for debarment in accordance with the provisions of the City Procurement Code.

NAME

RELATIONSHIPS

In the event the vendor does not indicate any names, the City shall interpret this to mean that the vendor has indicated that no such relationships exist.
