RE: Contract Extension/Contract No. **692-10175**
Solid Waste Dumpster and Cart Services

Dear Mr. McWeeney:

The extension of the contract noted above was approved at the City Commission Conference meeting on October 4, 2011 Item M-5. The revised contract expiration date will be **March 5, 2013**.

All terms, conditions and specifications of this contract will remain in effect during the extension period, including insurance and/or performance bond coverage requirements. As a result of decreased dumping fees prices have decreased for items with disposal costs (see attached). All other prices will remain the same. The new prices will become effective October 1, 2011.

If insurance is required for this contract, you should review your expiration date(s) at this time to insure that your coverage is current and provide this office with an updated certificate.

We hope this will continue to be a rewarding and profitable business relationship.

Sincerely,

Carrie L. Keohane
Procurement Specialist I
