The successful Proposer will provide comprehensive services that are legally defensive, and meet all Federal, State and local laws, statutes and ordinances governing such services.

 - b. Provide actuarially based projections for plan alternatives under variable enrollment assumptions, contribution strategies, and benefit design changes (if applicable).
 - c. Evaluate the cost impact of changes in plan design and suggest cost saving changes. Budgetary and Commission processes often dictate that this analysis be performed under tight deadlines. Contractor may have to respond to ad hoc requests for data or analysis.
3. Analyze historical loss and industry data to calculate future benefit payments in order to evaluate the reasonableness of the stop-loss coverage pricing and make a recommendation on attachment point (if applicable).
4. Contractor must follow HIPPA guidelines and be willing to sign a Business Associate Agreement, with the City, if required. (Exhibit 1 is a sample Business Associate Agreement).
5. Describe the forecasting methodology to be used to complete the tasks. Justify the chosen actuarial methods to be used in written narrative form.

PART VI - CONSIDERATION FOR AWARD/AWARD PROCEDURES

The award of the contract will be based on certain objective and subjective considerations listed below:

1. Understanding of the overall needs of the City as presented in the narrative proposal.

Weight factor: 30%

2. Experience, qualifications, and past performance of the proposing firm including persons proposed for the project and facilities and resources. Weight factor: 40%

3. Estimated cost to the City. Weight factor: 30%

Evaluation of proposals will be conducted by an evaluation committee of qualified City Staff, or other persons selected by the City. It may be a two-step process. In step one the committee will evaluate all responsive proposals based upon the information and references contained in the proposals as submitted. The committee will score and rank all responsive proposals and determine a minimum of three (3), if more than three (3) proposals are responsive, to be finalists for further consideration. In the event there are less than three (3) responsive proposals, the committee will give further consideration to all responsive proposals received. If necessary, the committee will then conduct discussions, for clarification purposes only, with the finalists and re-score and re-rank the finalists proposals. The committee will then make a recommendation to the Fort Lauderdale City Commission for award.

Evaluation of proposals will be conducted by an evaluation committee of qualified City Staff, or other persons selected by the City. Proposers or Finalists may be required to provide an oral presentation by appearing before the Evaluation Committee or by conference telephone call for clarification purposes only.

Information and references submitted will be considered in the award.

The City may require additional information and Proposers shall agree to furnish such information. The City reserves the right to award the contract to that Proposer who will best serve the interest of the City. The City reserves the right, based upon its deliberations and in its opinion, to accept or reject any or all proposals. The City also reserves the right to waive minor irregularities or variations to the specifications and in the bidding process.

The City uses a mathematical formula for determining allocation of cost points to each responsive, responsible proposer. The lowest, responsive, responsible proposer receives the maximum allowable points. When using this formula, a proposer that submits a cost or fee which is two times greater than the cost / fee of the lowest responsive, responsible proposer, will result in receiving zero points for cost.

2nd lowest cost minus lowest cost = X

X divided by lowest cost = Y

Y times the total number of cost points = Z

Total number of cost points minus Z = points assigned to 2nd lowest vendor and so on.

a. Except as otherwise limited in this Agreement, Business Associate may use or disclose Protected Health Information to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in the EMS Ambulance Billing

Services Agreement between the City of Fort Lauderdale and the Business Associate (“Original Contract”), provided that such use or disclosure would not violate the Privacy Rule if done by Covered Entity or the minimum necessary policies and procedures of the Covered Entity.

4. Specific Use and Disclosure Provisions

a. Except as otherwise limited in this Agreement, Business Associate may use Protected Health Information for the proper management and administration of the Business Associate or to carry out the legal responsibilities of the Business Associate.

b. Except as otherwise limited in this Agreement, Business Associate may disclose Protected Health Information for the proper management and administration of the Business Associate, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required By Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

5. Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any limitation(s) in its notice of privacy practices of Covered Entity in accordance with 45 C.F.R. § 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of Protected Health Information.

b. Covered Entity shall notify Business Associate of any changes in, or revocation of, permission by Individual to use or disclose Protected Health Information, to the extent that such changes may affect Business Associate's use or disclosure of Protected Health Information.

c. Covered Entity shall notify Business Associate of any restriction to the use or disclosure of Protected Health Information that Covered Entity has agreed to

in accordance with 45 C.F.R. § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of Protected Health Information.

6. Permissible Requests by Covered Entity

a. Covered Entity shall not request Business Associate to use or disclose Protected Health Information in any manner that would not be permissible under the Privacy Rule if done by Covered Entity, except that Business Associate may use or disclose Protected Health Information for data aggregation or management and administrative activities of Business Associate if required by the terms of the Original Contract.

7. Term and Termination

a. The Term of this Agreement shall be effective as of the effective date of the Original Contract, and shall terminate when all of the Protected Health Information provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy Protected Health Information, or if it is illegal to destroy Protected Health Information, the protections are extended to such information, in accordance with the termination provisions in this Section.

b. Upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:

1. Provide an opportunity for Business Associate to cure the breach or end the violation and terminate this Agreement and the Original Contract if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;

2. Immediately terminate this Agreement and the Original Contract if Business Associate has breached a material term of this Agreement and cure is not possible; or

3. If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

c. Effect of Termination

1. Except as provided in paragraph (2) of this section, upon termination of this Agreement, for any reason, Business Associate shall return, or destroy, except as prohibited by the Florida public records law, all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information

that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

2.
