

JOIN US IN SHAPING THE FUTURE OF SAFETY IN FORT LAUDERDALE

CITY OF FORT LAUDERDALE

You're invited to be a part of a pivotal project aimed at enhancing safety in our community!

We're dedicated to examining safety in Fort Lauderdale gathering insights from community members like you. We're working with the Bloomberg Harvard City Leadership Initiative in a nine-month training program to learn and adopt innovation techniques. With your valuable input, we're ready to take impactful steps toward enhancing safety perception and reality in our community.
