IMPROVING SAFETY AND MOBILITY FOR EVERYONE!

Tarpon River Mobility Master Plan Workshop I

Thursday, March 24, 2016 | 7:00 PM – 9:00 PM

Trinity Lutheran Church Hall

11 SW 11th Street Fort Lauderdale 33315

The City of Fort Lauderdale is working to calm traffic and improve the pedestrian and bicycling environment in the Tarpon River neighborhood and wants to hear from our neighbors. This public workshop will focus on gathering information from neighbors on areas of concern within the Tarpon River neighborhood to identify the needs of the community. We welcome your input, ideas, and participation.

Join us as we work together to build a fully connected neighborhood with streets and roadways that accommodate all types of users from pedestrians to bicyclists to transit riders and motorists!

If you would like additional information, please contact Karen Mendrala, Principal Planner, at (954) 828-3798 or kmendrala@fortlauderdale.gov.
