Thursday, August 25, 2016 | 7:00 PM – 9:00 PM

Trinity Lutheran Church Hall

11 S.W. 11th Street, Fort Lauderdale, FL 33315

The City of Fort Lauderdale is working with the neighborhood to create a plan to calm traffic and improve the pedestrian and bicycling environment in the Tarpon River neighborhood and wants to hear from our neighbors!

The City has heard your input during the past two meetings and we are excited to present the Draft Master Plan at the third Mobility Master Plan Workshop on August 25, 2016 at 7:00 pm. Neighbors are invited to share their input and ideas and to comment on the Master Plan.

Please join us as we work together to build a fully connected neighborhood with streets and roadways that accommodate all types of users from pedestrians to bicyclists to transit riders and motorists!

If you would like additional information, please contact Karen Mendrala, Principal Planner, at (954) 828-3798 or kmendrala@fortlauderdale.gov.
