

Join us for a
**RIBBON CUTTING
CEREMONY!**

Saturday, December 2, 2017 | 9 AM - 10 AM

Laura Ward Riverwalk Plaza, 420 S.E. 6th Avenue

Join the City of Fort Lauderdale and UPS for a ribbon cutting ceremony to celebrate the launch of UPS's eBike for Las Olas Boulevard and the surrounding neighborhood. The City of Fort Lauderdale initiated a partnership with UPS as part of the Las Olas Boulevard Traffic and Safety Calming Community Investment Project to balance the needs of our neighbors, businesses, and guests to create a safer, more enjoyable experience for all who visit Las Olas Boulevard.

The introduction of the electrically-assisted eBike further reinforces the City's commitment to its Green Your Routine program, which is geared toward achieving the City's sustainability goals, and Vision Zero Fort Lauderdale, a citywide initiative to create safer streets for everyone.
