1. Per ULDR Section 47-24.1, provide written documentation that easement to be considered for vacation meets the City's development review criteria per ULDR Section 47-25.2 (Adequacy Review) and ULDR Section 47-24.7 (Vacation of Easements Requirements).
2. Please contact City's Public Works Department, Rick Johnson at [rjohnson@fortlauderdale.gov](mailto:rjohnson@fortlauderdale.gov) or 954-828-7809 for water and sewer utilities, and Elkin Diaz at 954-828-6539 or [ediaz@fortlauderdale.gov](mailto:ediaz@fortlauderdale.gov) for stormwater infrastructure, to verify and determine whether there are any public utilities present within the easement to be considered for vacation. If so, a surveyed location of the utilities shall be provided to staff for review, the full cost of relocation of the utilities shall be borne by the Applicant, and the utility relocation plan shall be reviewed and approved by the City's Public Works Department prior to implementation.
3. Provide letters from all franchise utility providers, including Public Works as appropriate (i.e. if easement being vacated is public), demonstrating their interests in maintaining or no objection to the vacation of this Easement; the letters should specifically state whether or not the franchise utility providers have existing facilities within the Easement vacation area that will need to be relocated or abandoned.
4. Submit a stamped copy of the surveyor's sketch and legal description to the City's Surveyor for his review and approval of the easement to be considered for vacation. The approved surveyor's sketch shall then be routed to the Land Development Manager or designee for signoff, prior to submittal to the case planner for final authorization to present this item to the City Commission.
5. Please be advised that the vacating ordinance shall not be in full force and effect until an Engineer's Certificate is executed by the City Engineer or designee. This Engineer's Certificate shall be executed by the proper authorities and recorded in the public records of Broward County. A copy of the recorded certificate is to be provided to the City upon recordation. The City Engineer's certificate shall also state that all the existing facilities within the vacated easement have been relocated or abandoned to the satisfaction of the respective utility owners.
6. Additional comments may be forthcoming at the meeting.
