

CITY OF FORT LAUDERDALE

REIMAGINING BREAKERS AVENUE!

OPEN HOUSE #1

Wednesday, March 20, 2019 | 5:00 p.m. to 6:30 p.m.

Village Design Art Gallery

600 Breakers Avenue, Fort Lauderdale, FL 33304

Join us in reimagining Breakers Avenue between Riomar Street and Vistamar Street.

Together, we will build an iconic street that not only provides mobility but is also safe, accessible, attractive, climate-resilient, and a sustainable public space. We look forward to your input on design elements including a shared use street, pedestrian lighting, and trees and landscape.
