

NPF-CRA Mobility Master Plan

You're Invited to a Public Meeting !

Topic: Transportation Opportunities & Needs within the Northwest-Progresso-Flagler Heights (NPF) Community Redevelopment Agency (CRA).

PUBLIC MEETING

Wednesday

6:30 PM to 8:00 PM

A Mobility Master Plan that will establish the vision for the NPF-CRA area for years to come is underway!

This is a community-based effort that will analyze how people move around this community (on foot, biking, using transit, driving, or by other means). Throughout this planning process, we will work with our neighbors to understand transportation and traffic issues, come up with solutions, and develop options that work for everyone!

This Plan will lead to a list of transportation improvements that are ranked by the community within the CRA. This list will represent critical upgrades that the community believes will enhance how people can access everyday needs in their preferred mode of transportation.

Midtown Commerce Center
1033 NW 6th Street #206
Fort Lauderdale, FL 33311

We want to hear from you!

The goal is to get input from members in our community – We hope to see you there!
