CENTRAL BEACH CODE UPDATE OPEN HOUSE

MONDAY, OCTOBER 21, 2019 | 6-8 PM

CITY HALL, 8TH FLOOR CONFERENCE ROOM

100 N ANDREWS AVENUE, FORT LAUDERDALE, FL 33301

BACKGROUND & OVERVIEW

This Central Beach Open House is an opportunity for neighbors to provide comments and learn more about the proposed amendments to the City's Unified Land Development Regulations (ULDR). The amendments propose new regulations for the Central Beach that will be incorporated into the City's code.

The meeting will be hosted in an open house format, allowing neighbors to stop by at any time during the two-hour period to participate and provide feedback.

The intent of these revisions is to adopt code language that is easy to understand and promotes design solutions based on the context of each site. The open house will focus on those elements that guide the form of buildings and the pedestrian realm. Discussion topics will include: permitted and conditional uses, dimensional requirements, open space, changes to the design compatibility point system, and approval processes.
