

CITY OF FORT LAUDERDALE

Habitat Conservation Plan Public Meetings Tuesday, October 1, 2019

9 a.m. – Noon and 6 – 9 p.m. | South Side Cultural Arts Center
701 S Andrews Avenue, Fort Lauderdale, FL 33316

The City of Fort Lauderdale received a \$75,000 subgrant from the Florida Fish and Wildlife Conservation Commission (FWC) to prepare a Habitat Conservation Plan (HCP) to address special events on Fort Lauderdale Beach. The HCP will outline measures designed to minimize and lessen the impacts to species protected under the Endangered Species Act (i.e., sea turtles, federally listed shorebirds, etc.), conserve species, and contribute to their recovery.

The City, in partnership with Ecological Associates, Inc. and FWC, is hosting two public meetings on October 1, 2019 to provide background on the HCP process, solicit public input on protected species management related to special events on the Beach, and address HCP-related concepts.

Economy Group Meeting | 9 a.m. – Noon

This meeting is targeted to stakeholders interested in hosting special events on Fort Lauderdale Beach and are required to apply for a permit.

Resource Group Meeting | 6 – 9 p.m.

This meeting is targeted to stakeholders responsible for monitoring, protecting, and managing the City's environmental resources and species protected under the Endangered Species Act (i.e., sea turtles, federally listed shorebirds, etc.) before, during, and after special events on Fort Lauderdale Beach.

Stakeholders interested in attending a meeting must RSVP to Grace Botson at grace@ecological-associates.com by September 27, 2019.

For questions, please contact Luisa Agathon at lagathon@fortlauderdale.gov or 954-828-5271.

If you would like this publication in an alternate format or if you need reasonable accommodation to participate in this event, please call 954-828-4755 or email strategiccommunications@fortlauderdale.gov.
