

CITY OF FORT LAUDERDALE | CONSTRUCTION PROJECT

North Beach Restaurants and Shoppes Streetscape Project

PROJECT OVERVIEW

The City of Fort Lauderdale is making safety and beautification improvements along NE 32 Street and NE 33 Street between NE 33 Avenue and A1A that will enhance the area and improve walkability. The scope of the project includes:

- Asphalt milling and resurfacing
- New curb and gutter
- New ADA-compliant sidewalks on both sides of each street
- New pavement markings and signage, including at crosswalks
- New concrete wheel stops in parking areas
- Underground electrical work and conduit trenching
- Upgraded lighting with LED fixtures
- New decorative pedestrian lights
- Landscaping upgrades including a new irrigation system and new trees with root barriers and Silva Cells
- Relocating a stormwater pipe

PROJECT COST

The construction cost of this project is approximately \$958,792.

PROJECT TIMELINE

Construction is expected to begin July and be completed in late 2020.

CONSTRUCTION DETAILS

Crews from the City’s contractor, Sagaris Corp., are expected to work Monday-Friday, excluding holidays and weekends, between 8 a.m. and 7 p.m.

These days and hours may vary when necessary. Every effort will be made to minimize construction-related inconveniences. However, there may be minimal noise, water/sewer or utility interruptions (electric, cable, etc.), and dust.

ROAD CLOSURES

Temporary lane closures are expected on each street as work progresses and full road closures may be required to ensure safety during some construction activities. Please follow posted signs and drive with caution in the area.

Closure information will be available on LauderStreet at www.fortlauderdale.gov/lauderstreet.

PARKING IMPACTS

Parking on NE 32 Street and NE 33 Street between NE 33 Avenue and A1A will be limited during construction. Alternative parking will be available west of NE 33 Avenue and at the Beach Community Center.
