

CITY OF FORT LAUDERDALE | ALLEYWAY CLOSURES AUGUST 10-12

North Beach Restaurants and Shoppes Streetscape Project

OVERVIEW

As part of the ongoing safety and beautification improvements along NE 32 Street and NE 33 Street between NE 33 Avenue and A1A, construction work is scheduled at the approaches to two alleyways just west of A1A (marked in orange in the map to the right) that will require them to be temporarily closed.

City staff have notified the companies that provide trash collection services to nearby businesses using the alleyways that will be impacted by the temporary closures.

WORK SCHEDULE

Monday, August 10: Alleyways close at 8 a.m. Work begins including demolition, testing, forming, and pouring concrete.

Tuesday, August 11: Alleyways remain closed while concrete cures.

Wednesday, August 12: Alleyways remain closed while concrete cures. Estimated reopening time is 3 p.m.

This schedule may be modified in the event that inclement weather or other unforeseen conditions arise.

TRASH COLLECTION

Nearby businesses may continue using their dumpsters to dispose of waste as usual, but they may notice a change in their collection schedule while the alleyway is inaccessible to collection trucks. Specific questions about revised hauling schedules should be directed to each individual collection company.

We appreciate your patience and apologize for any inconvenience.
