

McNab Road Proposed Multimodal Improvements

McNab Rd. Improvement Virtual Workshop Meeting

The Cities of Pompano Beach & Ft. Lauderdale are conducting a **Virtual Public Information Workshop** regarding a **proposed Complete Streets Roadway Improvements Project** along McNab Rd. from **NW 31st Ave./SW46th Ave. to Dixie Hwy.** Join us for the virtual workshop meeting to review project information and provide comments. Information/feedback gathered at this meeting will help inform the scope of the project. Timeframe for implementation to be determined based on funding availability. Potential dates: 2026 for Design and 2028 for Construction. For more information contact Maggie Barszewski at email: maggie.barszewski@copbfl.com.
