

Memorandum

Memorandum No: 21-032

Date: April 28, 2021

To: Honorable Mayor and Commissioners

From: Chris Lagerbloom, ICMA-CM, City Manager

Re: Fort Lauderdale Air Show Parking Rates

The Fort Lauderdale Air Show is scheduled for Saturday, May 8th and Sunday, May 9th, 2021. The Air Show will utilize the North Beach parking spaces along State Road A1A from Sunrise Boulevard to NE 21 Street for the spectator zone. These parking spaces will be rented to the Air Show daily and will not be available for general public parking.

In accordance with Section 26-161(5) of the City of Fort Lauderdale Code of Ordinances, I am authorized to establish event parking rates:

26-161(5) The city manager may authorize a special single-entry rate of not more than thirty dollars (\$30.00) at any city operated lot or garage, provided that prior written notification is given to the city commission by the city manager

Please accept this memo as written notification that there will be a special single-entry rate of \$25.00 per space per day at parking lots and garages on the barrier island during the 2021 Fort Lauderdale Air Show. The single-entry rate will be charged on the event days from 7:00am to 4:00pm and provides parking privileges until midnight. On-street parking spaces will charge hourly rates throughout the entire Air Show event.

City staff has created marketing materials and will provide notice to the public through the City's website and social media channels. During the event, electronic message boards and signage will be strategically deployed to provide rate information and wayfinding information.

For further information on this initiative, please contact Ben Rogers, Director of Transportation and Mobility, at brogers@fortlauderdale.gov.
