

Fort Lauderdale Citywide Lighting Master Plan

CITY OF FORT LAUDERDALE

SUMMER, 2021 PROJECT FACT SHEET # 2

PROJECT DESCRIPTION

The City of Fort Lauderdale is developing a Citywide Lighting Master Plan to address existing maintenance needs, provide guidance to future developments within the City, and standardize City lighting details and specifications. The Lighting Master Plan will also provide guidance on appropriate lighting levels for roadways within the City. The included map shows preliminary areas identified for future lighting improvements. The project team will obtain stakeholder and public input throughout the process to identify other priorities to include in the Lighting Master Plan.

GOALS/OBJECTIVES

- ✔ Address safety and maintenance needs
- ✔ Provide a uniform look/feel throughout the City
- ✔ Maximize lighting efficiency
- ✔ Meet future street lighting needs
- ✔ Identify pilot project areas to improve lighting

You're invited...
 You are invited to a **Public Information Webinar** to kick off the **Fort Lauderdale Citywide Lighting Master Plan.**

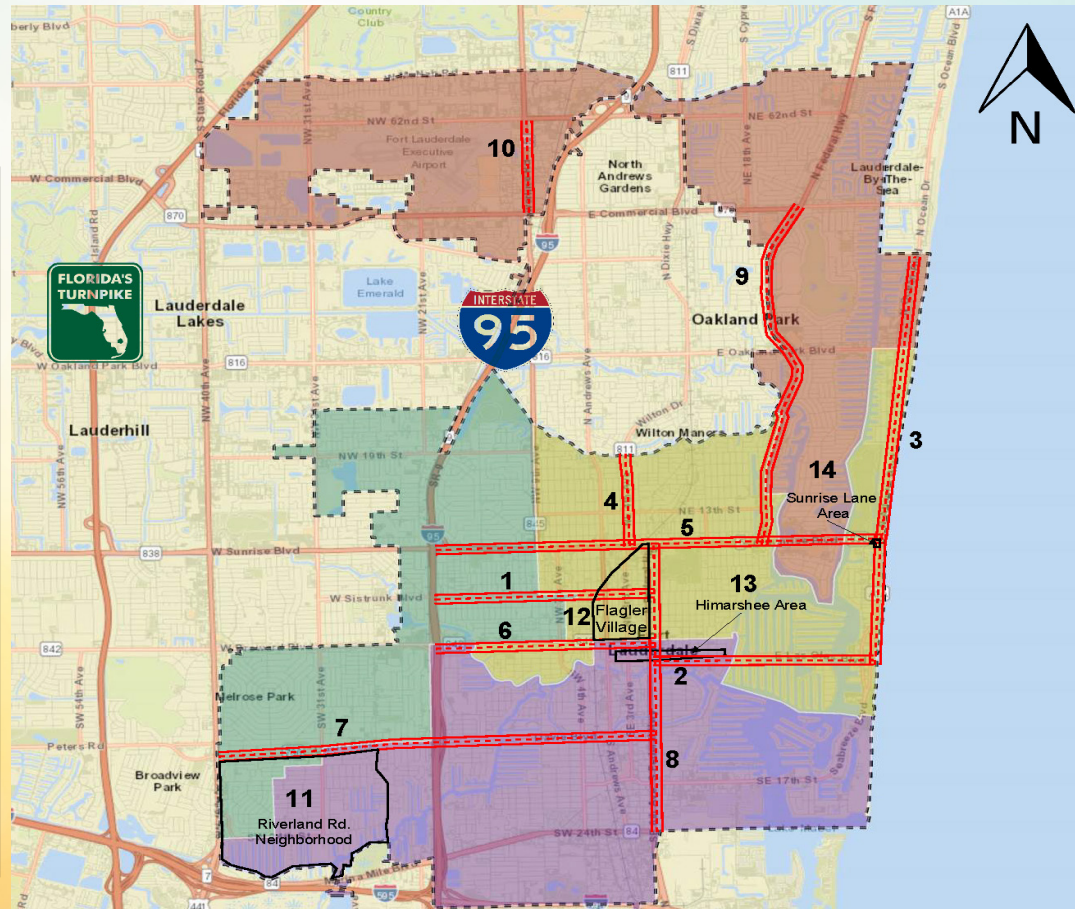

WHEN?

**Tuesday,
 September 14, 2021
 5:30 p.m.**
