

COMPARE MEDICATION COSTS BEFORE YOU FILL.

Use the Price a Medication tool on the myCigna® App or website.

When it comes to medication costs, no one likes surprises.

With the Price a Medication tool on the **myCigna®** App or **myCigna.com**, you can see how much your medication costs before you get to the pharmacy counter – or, even before you leave your doctor's office.

- › **Compare the price of your medication** at the different retail pharmacies in your plan's network, as well as through Express Scripts Pharmacy®, our home delivery pharmacy.^{1,2}
- › **View lower-cost alternatives**, if available.¹
- › **See which medications your plan covers.**
- › **View your costs for a 30-day and 90-day supply**, depending on what your plan allows.
- › **Find out if your medication needs approval** before your plan will cover it.

To get started, log in to your myCigna account.

1. Click on the “Find Care & Costs” tab.

The screenshot shows the myCigna website home page for user Alexandra. The navigation bar includes Home, Find Care & Costs (circled in orange), Coverage, Claims, Spending Accounts, Prescriptions, and Wellness. The main content area displays medical coverage status, including an in-network deductible remaining of \$3,200.00 and a health savings account (HSA) balance of \$573.38. There are also sections for incentives and latest updates.

2. Click on the box for “Price a Medication.”

The screenshot shows the 'Find care and cost estimates in Aurora, IL 60503' section of the website. There are five buttons: Doctor by Type, Doctor by Name, Reason for Visit, Locations, and Price a Medication (circled in orange with a mouse cursor pointing to it). Below the buttons, there is a link for 'Important Messages regarding your plan'.

3. Type your medication name into the search bar that appears below the blue boxes. Then select your medication name from the dropdown list.

The screenshot shows the search bar on the myCigna website. The text 'Lipitor' is entered into the search bar, and a dropdown list is visible below it with 'Lipitor' selected. The search bar is circled in orange.

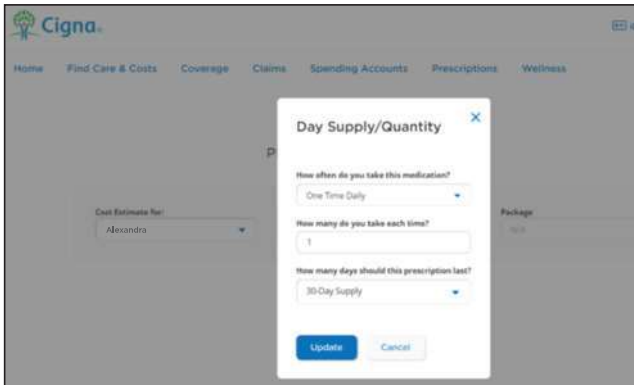

4. Add the details about your medication. Click on each dropdown. Then click “Next.”

The screenshot shows the 'Please confirm your prescription' form for Lipitor. The form includes fields for Cost Estimate for (Alexandra), Form/Dose (10MG), and Package (MIA). The Form/Dose dropdown menu is open, showing options for 10MG (selected), 20MG, 40MG, and 80MG. A 'Next' button is visible at the bottom right of the form.

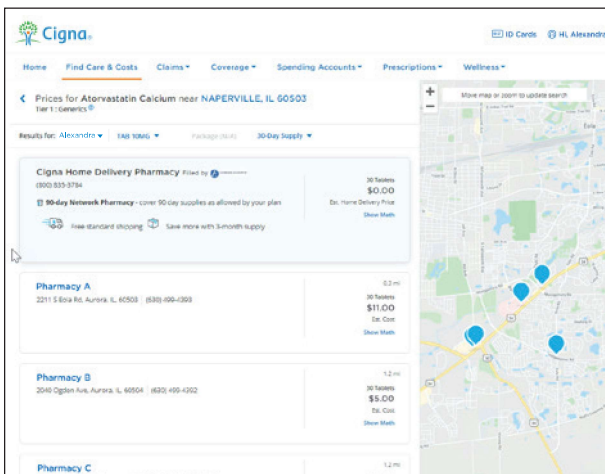

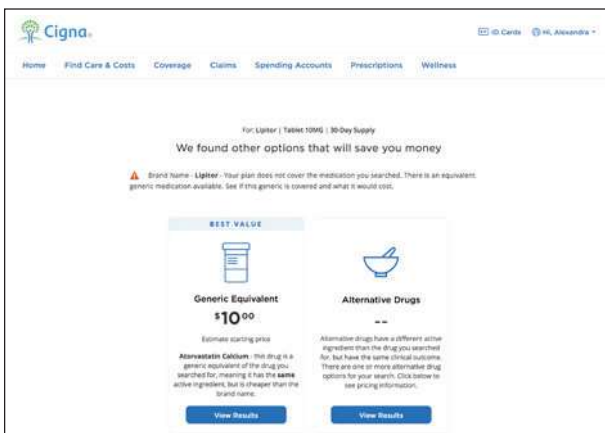

Together, all the way.®

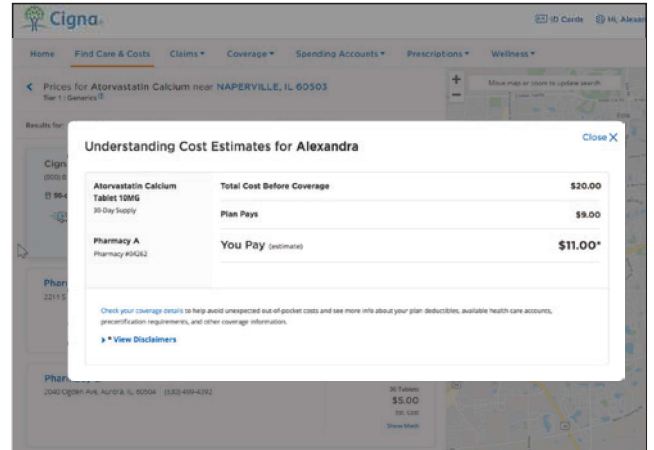

5. A box will pop up on your screen. **Select your day supply and amount of medication you take** from the dropdown lists. Then click “Update.”

6. **Review your medication options.** Choose the medication you want and click “View Results.” You’ll then get pharmacy and pricing information. **Remember, not all pharmacies charge the same amount for medications, so shop wisely.**

7. You can also choose to click on “Show Math” to see a breakdown of costs.
