Re: Announcement of the 2022 Tortuga Music Festival Event Dates (April 8 – 10, 2022)

On October 5, 2021, a Five-Year agreement between the City of Fort Lauderdale and TMF Holdco, LLC was approved. TMF Holdco, LLC will present the 2022 Tortuga Music Festival on Friday, April 8, 2022 – Sunday, April 10, 2022. Event headliners include Morgan Wallen, Thomas Rhett, and Luke Combs.

The event organizer will pay for all event costs and submit the required certificates of insurance. The City is requiring the organizer to post an amount in escrow equal to 110% of the City’s estimated service costs. The organizer will also secure all other necessary permits and licenses that are required from other agencies. Civic and merchant associations have been notified as appropriate regarding events in their areas. This year the promoter will start their build earlier in the week and then shut down operations on that Friday to allow for the beach and parking area to be open to the public the first weekend of setup.
