**CASE COMMENTS:**

Please provide a response to the following:

- 1) The applicant is strongly encouraged to contact neighbors adjacent to, as well as condominium and neighborhood associations located within three hundred feet (300') of the development site, to advise of this proposal (a map and listing of officially-recognized neighborhood associations is provided on the City's website: <http://www.fortlauderdale.gov/neighborhoods/index.htm>). Please provide acknowledgement and/or documentation of any public outreach.
- 2) The site is designated Commercial on the City's Future Land Use Map. The proposed use is permitted in this designation. This is not a determination on consistency with Comprehensive Plan Goals, Objectives and Policies.
- 3) The proposed project requires review and recommendation by the Planning and Zoning Board and approval by the City Commission. A separate application and fee are required for Planning and Zoning Board review, and a separate submittal is required for City Commission review. The applicant is responsible for all public notice requirements (ULDR Section 47-27). Note: The City's Clerk's office requires a 48- hour notice prior to a CC meeting if a computer presentation is planned, i.e. PowerPoint, to be provided on CD or flash drive and a copy submitted to the City Clerk. Contact the Case Planner, Adam Schnell for more information at 954-828-5633.
- 4) Signoffs from the City Surveyor and the City's Engineering Design Manager will be required prior to Planning and Zoning Board submittal.
- 5) Discuss any right-of-way requirements with the City's Engineering Design Manager.
- 6) Within the point-by-point narrative (Section 47-24.5 (D.1a thru 1m)) it states the Florida Department of Transportation (FDOT) has agreed to accept a ROW Easement Dedication and that a verification letter from FDOT was submitted, but the letter was not attached. Provide the FDOT verification letter as stated within the narrative.
- 7) Coordinate need for easements with the franchise public utilities and provide said easements on the plat.
- 8) Please contact Jean-Paul Perez, Broward County Planning and Development Division at JPPerez@broward.org or 954-357-6637 to ensure the proposed plat note language meets their standards before moving forward. Please provide staff with written response from the County.
- 9) No final plat of any subdivision shall be approved unless the sub-divider shall file with the City a surety bond executed by a surety company authorized to do business in the state and having a resident agent in the county, conditioned to secure the construction of the improvements required under this section, in a satisfactory manner and within a time period specified by the City Commission, such period not to exceed two (2) years. No such bond shall be accepted unless it is enforceable by or payable to the City in a sum at least equal to one and one-half (1 1/2) times the cost of constructing the improvements as estimated by the City Engineering Design Manager and in form with surety and conditions approved by the City Attorney. In lieu of a bond, cash deposit or other acceptable security may be made. In case of forfeiture, the City shall proceed with the improvements to the extent of the available money realized from such forfeiture.
- 10) Staff reserves the right review the plat again based on any changes made to the plat during full agency review.

### General Comments

The following comments are for informational purposes.

- 11) Pursuant to the State Statute 166.033(1) applications must be deemed approved, approved with conditions, or denied within 120 days, or 180 days for applications subject to a quasi-judicial hearing or a public hearing, unless a mutually agreed upon time extension is established between the City and the applicant. Failure to meet the applicable timeframe or request an extension will result in the application being denied by the City and the applicant will be required to refile a new application and fees to proceed.
- 12) An additional follow-up coordination meeting may be required to review project changes necessitated by the DRC comments. Prior to routing your plans for Final DRC sign-off, please schedule an appointment with the case planner (Adam Schnell 954-828-4798) to review project revisions and/or to obtain a signature routing stamp.
- 13) Additional comments may be forthcoming at the DRC meeting.
