Mr. Williams continued by providing an update on Mills Pond Park fields being renovated with synthetic turf. Work should be completed by October. He also shared they are close to receipt of the temporary certificate of occupancy for the Aquatic

Center. He noted the ribbon cutting will likely be held the first week of June.

Vice Chair Rosenbaum asked when there will be access to the water.

Mr. Williams replied that a limited number of programs would be able to begin the day after the ribbon cutting.

Vice Chair Rosenbaum said there are currently not enough lifeguards to support opening the facility on a full-time basis. She noted there was enough time to hire lifeguards and asked what the issue is.

Mr. Williams acknowledged challenges with hiring staff. He noted they have experienced a lifeguard shortage in the City the last few years. He confirmed the full-time lifeguards that were reassigned to community pools will be returning to work at the Aquatic Center. He reminded the Board the aquatic center will still be an active construction site, affecting the ability to open full-time.

Vice Chair Rosenbaum said she heard rumors that the Hall of Fame wants to infringe upon the footprint of the Aquatic Center. She noted the taxpayers paid for the renovation.

Mr. Williams responded the Hall of Fame did indicate they wanted additional space, but they have been advised to stay within the original parameters.

Ms. Cummings asked about the hotel built on the water.

Vice Chair Rosenbaum responded with general details on the hotel. She noted the City owns the land, but the Hall of Fame own the building.

Mr. Williams continued updates by announcing the upcoming Jazz Brunch and Akasha Urhobo Day events, both occurring on May 1, 2022. He noted the May 25, 2022, Board meeting is a combined budget meeting. He clarified the meeting is informational and the Board has no speaking roles.

The second request is for additional part-time salary in order to offer a more competitive rate for several positions including Recreation Clerk Worker, Recreation Maintenance Worker, Custodian, Lifeguard I and Lifeguard II. The third request is for three additional positions for the Aquatic Center.

Ms. Cummings asked the about the base salary for lifeguards.

Mr. Williams responded it is \$17.49 per hour but lifeguards at surrounding centers

are making \$18-\$20 per hour. He said the same is true for the clerk and counselor positions.

He stated the last request pertains to the cemetery, including a capital outlay and staffing positions.

Ms. Cummings asked about erecting a canopy over the Las Olas Beach Park.

Mr. Williams responded that they looked into it but the visibility to the stage would be compromised. He said they are still researching viable solutions.

Ms. Cummings recommended three or four triangles to create shade.

Mr. Martin commended the Department for keeping the beach in great shape.

into it.

A brief discussion ensued about a small piece of property located on Citrus Isles. Mr. Williams will send out the address.

In response to Ms. Cummings' inquiry about the Widden property, Mr. Leikauf said they don't want to subdivide the property.

Mr. Martin suggested a long-term perspective on purchasing hardscaped properties, letting the lease run out, then turning it into a park.

Mr. Villeneuve agreed with Mr. Martin's suggestion.

Mr. Williams noted he can invite Collier's to attend a future meeting for a conversation.

Mr. Villeneuve asked if the Board would have an opportunity for feedback on the Holiday Park plan that AECOM is working on.

Mr. Williams replied that the way the bond was written, those four projects would be determined by Commission directly.

Mr. Villeneuve stated they are an advisory board who receives feedback from the community continuously and are able to provide valuable feedback to the plan.

Mr. Williams said the Board can share comments when it goes to Commission.

Mr. Villeneuve reiterated they could provide feedback before it is set in stone. He requested AECOM present to the Board and solicit feedback prior to going to Commission.

Mr. Williams acknowledged he will advise AECOM.

Ms. Cummings asked why the Board would not provide feedback on the four signature projects.

None.

**6. Adjournment**

Assistant City Attorney Saint Vil-Joseph stated she consulted with the Senior City Attorney and confirmed the absences from a non-quorum meeting are counted. Additionally, when there is no quorum, try to seek quorum and then adjourn meeting and schedule the next meeting if no quorum is present. She noted, because a meeting was held on March 23, 2022, and a set of meeting minutes is part of the record, they need to be approved, denied, or amended to comply with Sunshine Law. She confirmed the March 23, 2022, was not an illegal meeting as there was no City business conducted.

**Motion** was made by Deborah Rosenbaum and seconded by Charlie Leikauf, to approve the March 23, 2022, meeting minutes. In a voice vote, the motion passed unanimously 10-0.
