**Communication to the City Commission**

**Motion** made by Mr. Schiavone, seconded by Mr. Karney.

In light of the City Commission’s inquiry of this board concerning historic designation and the issues that we have come across today in the items that were addressed at the meeting [historic landmark designation for the New River Castle and potential designation of multiple properties], we again encourage them to dedicate more resources and more staff to historic preservation. We see repeatedly in our work here that Trisha Logan is spread so thin, we could accomplish more, the citizens of the City of Fort Lauderdale could accomplish more expeditiously, and we would be able to protect both property owners’ rights and the historic preservation of the City better if there were more resources dedicated. In a voice vote, motion passed 7-0.

**Motion** made by Mr. Marcus, seconded by Mr. Karney.

The Historic Preservation Board requests that the City Commission ask the City Manager to have staff prepare a code amendment to include thematic historic district in the historic preservation ordinance that would enable the designation of noncontiguous historic districts. In a voice vote, motion passed 7-0.
