- Available 24/7 starting today -

**BROWARD COUNTY, FL** - Broward County Transit (BCT) has officially launched its multi-billion-dollar Premium Mobility Plan (PREMO) which will forever improve the transportation landscape in Broward County. This transformational initiative will add more than 200 miles of new premium transit services to its existing service network. It will also create new jobs, stimulate economic development, connect major points of interest and provide Broward County residents and visitors with multimodal transit options.

This Countywide network of premium transit services will provide convenient mobility that is attractive, safe, reliable and frequent. The PREMO plan includes 11.5 miles of Commuter Rail, 23.3 miles of Light Rail Transit, 76 miles of Bus Rapid Transit and 100 miles of High Frequency Bus Service with eight east/west corridors and six north/south corridors.

A virtual interactive room, available 24 hours per day, seven days a week starting today, May 16 through June 12, 2023, will allow participants to review an overview of the plan, projects involved and an opportunity to leave comments. During this time, live question & answer sessions will be available on Tuesdays and Thursdays from 12-2PM and 6-8PM and Saturdays from 1-3PM. Participants can view by visiting [PREMO.Broward.org](https://PREMO.Broward.org) and selecting [Virtual Interactive Workshop Room](#). If access to a computer is needed, the virtual interactive room will be available at Broward County Libraries. For library hours, call 954-357-7444 or visit the [website](#).
