

## Memorandum

**Memorandum No: 23-078**

**Date:** June 1, 2023

**To:** Honorable Mayor, Vice Mayor, and Commissioners

**From:** Greg Chavarria, City Manager   
Greg Chavarria (Jun 5, 2023 05:45 EDT)

**Re: First Alternatives Public Workshops – Gateway Interchange (US-1 at Sunrise Boulevard)**

---

On Wednesday, June 21<sup>st</sup> and Thursday, June 22<sup>nd</sup>, the Florida Department of Transportation (FDOT) will host the First Alternatives Public Workshops for the Project Development and Environment (PD&E) Study for the Gateway Interchange (US-1 at Sunrise Boulevard). A PD&E study is FDOT's process to evaluate the social, economic, and environmental impacts associated with a planned transportation improvement project. The purpose of this project is to improve intersection capacity and address future traffic demand. The project will also improve safety and enhance modal interrelationships with bicycle, pedestrian, and transit modes.

The First Alternatives Public Workshop is scheduled for Wednesday, June 21, 2023 (in-person) and Thursday, June 22, 2023 (virtual). There are two ways to participate in this meeting:

- In-Person: The First Alternative Public Workshop will be held on Wednesday, June 21, 2023, at ArtServe located at 1350 East Sunrise Boulevard. The First Alternatives Public Workshop will begin at 5:30 p.m.
- Virtual: Those who wish to attend the First Alternatives Public Workshop on Thursday, June 22, 2023 at 5:30 p.m. can register at: <https://attendee.gotowebinar.com/register/4247915226381611354>.  
If using a mobile device, the free "GoToWebinar" application is required to attend.

The same information will be presented at both the in-person and virtual First Alternatives Public Workshops. The attached flyer includes additional details on the workshop. You can also find the most up-to-date project information at <https://www.fdot.gov/projects/US1GatewayPDE>.

If you have any questions, please contact the FDOT Project Manager, Adham Naiem, P.E. at (954) 777-4440 or via email at [adham.naiem@dot.state.fl.us](mailto:adham.naiem@dot.state.fl.us)
