**CASE COMMENTS:**

Please provide a response to the following:

1. Pursuant to Unified Land Development Regulation (ULDR), Section 47-24, the proposed plat requires review and recommendation by the Planning and Zoning Board and approval by the City Commission. A separate application and fee are required for PZ Board review, and a separate submittal is required for City Commission review. The applicant is responsible for all public notice requirements. Note: The City Clerk's office requires 48 hours notice prior to a City Commission meeting if a computer presentation is planned i.e. Power Point, to be provided on CD or flash drive and a copy submitted to the City Clerk, contact the project planner for more information at [ngarcia@fortlauderdale.gov](mailto:ngarcia@fortlauderdale.gov) or 954-828-8958.
2. Pursuant to the State Statute 166.033(1) applications must be deemed approved, approved with conditions, or denied within 180 days for applications subject to a quasi-judicial hearing or a public hearing, unless a mutually agreed upon time extension is established between the City and the applicant. Failure to meet the applicable timeframe or request an extension will result in the application being denied by the City and the applicant will be required to refile a new application and fees to proceed. The applicant did not submit a waiver to the timeline requirements.
3. The applicant is strongly encouraged to contact neighbors adjacent to, as well as condominium and neighborhood associations located within three hundred feet (300') of the development site, to advise of this proposal (a listing of officially recognized associations are provided on the City's website: <https://www.fortlauderdale.gov/departments/city-manager-s-office/office-of-neighbor-support/neighborhood-associations> and a map of neighborhood associations may be found at: <http://gis.fortlauderdale.gov> ). Please provide acknowledgement and/or documentation of any public outreach.
4. The site is designated Employment Center on the City's Future Land Use Map. The proposed use is permitted in this designation. This is not a determination on consistency with Comprehensive Plan Goals, Objectives, and Policies.
5. Please contact Karina Da Luz, Broward County Urban Planning Division at [Kdaluz@broward.org](mailto:Kdaluz@broward.org) or 954-357-6623 to ensure the proposed plat note language meets their standards before moving forward. Please provide staff with written response from the County. Confirm the square footage needed to be included in the note language.
6. Discuss with Public Works and Engineering the future accessibility to adjacent facilities and any issues that may arise from creating the private drive (Hawkins Road).
7. Staff reserves the right review the plat again based on any changes made to the plat during full agency review.
8. No final plat of any subdivision shall be approved unless the subdivider shall file with the City a surety bond executed by a surety company authorized to do business in the state and having a resident agent in the county, conditioned to secure the construction of the improvements required under this section, in a satisfactory manner and within a time period specified by the City Commission, such period not to exceed two (2) years. No such bond shall be accepted unless it is enforceable by or payable to the City in a sum at least equal to one and one-half (1½) times the cost of constructing the improvements as estimated by the City Engineer and in form with surety and conditions approved by the City Attorney. In lieu of a bond, cash deposit or other acceptable security may be made.
