Re: **New River Crossing – BDO Final Report**

On December 19, 2023, the City Commission approved an agreement with BDO USA (BDO) for consulting services to develop the project scope for the New River Crossing project. Their scope of work included the development of the route alignment, cost estimates, stakeholder coordination, and assisting City staff with federal funding grant applications.

BDO has completed their scope of work and provided the City with a final report. The final report is divided into ten sections as follows:

SECTION	PAGE
Executive Summary	3
Introduction	7
Assumptions	10
Project Alignment	13
Other Factors	50
Project Cost	59
Funding Options	68
Conclusion	74
Next Steps	76

City staff will be providing a New River Crossing update at the April 16, 2024, City Commission Conference Meeting. City staff will share the final report with Broward County administration in hopes that a joint meeting can be scheduled for the two elected bodies to further discuss the New River Crossing.
