CRITERIA: Applicant must demonstrate a unique hardship attributable to the land by proving by a preponderance of the evidence for all of the following criteria. Please answer the following criteria completely. While some criteria may seem duplicative the response should be tailored specifically to each. Per section 47-24.12. A.4,

a. Special conditions and circumstances affect the property at issue which prevent the reasonable use of such property; and

N/A

b. Circumstances which cause the special conditions are peculiar to the property at issue, or to such a small number of properties that they clearly constitute marked exceptions to other properties in the same zoning district; and:

N/A

c. Literal application of the provisions of the ULDR would deprive the applicant of a substantial property right that is enjoyed by other property owners in the same zoning district. (It shall be of no importance to this criterion that a denial of the variance sought might deny to the owner a more profitable use of the property, provided the provisions of the ULDR still allow a reasonable use of the property; and

N/A

d. The unique hardship is not self-created by the applicant or his predecessors, nor is it the result of mere disregard for, or ignorance of, the provisions of the ULDR or antecedent zoning regulations; and

N/A

e. The variance is the minimum variance that will make possible a reasonable use of the property and that the variance will be in harmony with the general purposes and intent of the ULDR and the use as varied will not be incompatible with adjoining properties or the surrounding neighborhood or otherwise detrimental to the public welfare.

N/A

AFFIDAVIT: I, N/A the Owner/Agent of said property ATTEST that I am aware of the following:

1. In order to be entitled to the relief requested in the application an affirmative vote of a majority plus one of the Board of Adjustment is required;
2. That in granting the relief requested, the Board of Adjustment is limited to the authority vested in the Board by the ULDR and that the Board may not grant the relief requested unless the applicant proves all the criteria specified in the ULDR have been met;
3. That the granting of relief by the Board does not exempt the applicant or owner of record from the responsibilities of obtaining all applicable permits or approvals as may be required by law for both new and existing structures;
4. That if the relief requested is granted by the Board, the applicant must secure a building permit to implement the relief requested within one hundred eighty (180) days of the entry of the final order or the Board, or within such lesser time as the Board may proscribe and that failure to procure the necessary permits within the time so proscribed shall render the variance or special exception null and void;
5. That if the Board denies the request for relief, then no additional application for the same or substantially the same relief may be entertained by the Board within two (2) years of the date of entry of the final order of denial.

NARRATIVE
BEACH BILLIARDS ROOM
3298 Ne 33 Street
SPECIAL EXCEPTION REQUEST

The owner of the property located at 3298 Ne 33 Street (The property) respectfully requests a Special Exception from the City of Fort Lauderdale for a 2COP alcoholic beverage license to allow for the sale of alcoholic beverages, primarily beer and wine, on the property.

Code of Ordinances Section 5-26- *Distance Between Establishments* (The Code) provides for a distance of 300 feet between establishments that are licensed to sell alcoholic beverages. The subject property is:

MEASURED 91' FROM 3270 NE 33 ST (FL'S BAR & LOUNGE) WHICH HOLDS A 4COP,
MEASURED 173' FROM 3301 NE 33 ST (TWICE REMOVED) WHICH HOLDS A 4COP, MEASURED
221' FROM 3320 NE 33 ST (BLUE JEAN BLUES) WHICH HOLDS A 4COP.

The Billiards Room is proposed as an up-scale neighborhood billiards establishment. The owners intend to create a relaxed environment for those who enjoy the sport of pool.

The corner where the property is located has been owned by the Leeds Family since 2000.

Pursuant to Section 47-24.12.A.5 of the ULDR, a special exception shall be granted upon demonstration by a preponderance of the evidence that all of the following criteria have been met.

A. Whether the proposed development or use meets the requirements for a special exception as provided in the UDLR

The Property is located in the North Beach Restaurants & Shoppes Neighborhood. The neighborhood is comprised of several bars and restaurants serving alcoholic beverages, some being within 300 feet of one another.

Whereas Section 5-26 requires a distance of 300 feet between another establishment that serves alcoholic beverages and allows establishments that do not meet the distance requirement, such as the current applicant, to seek a Special Exception to all for such sales.

B. Granting of the special exception shall not be incompatible with adjoining properties or the surrounding neighborhood or otherwise contrary to the public interest.

The Property is located in the North Beach Restaurants and Shoppes Neighborhood in a CB zoning district designed to accommodate the evolving character of the neighborhood as a food and entertainment destination.

Granting the Special exception to allow the establishment to serve beer and wine will be consistent with the existing uses and compatible with the North Beach Restaurants & Shoppes neighborhood.

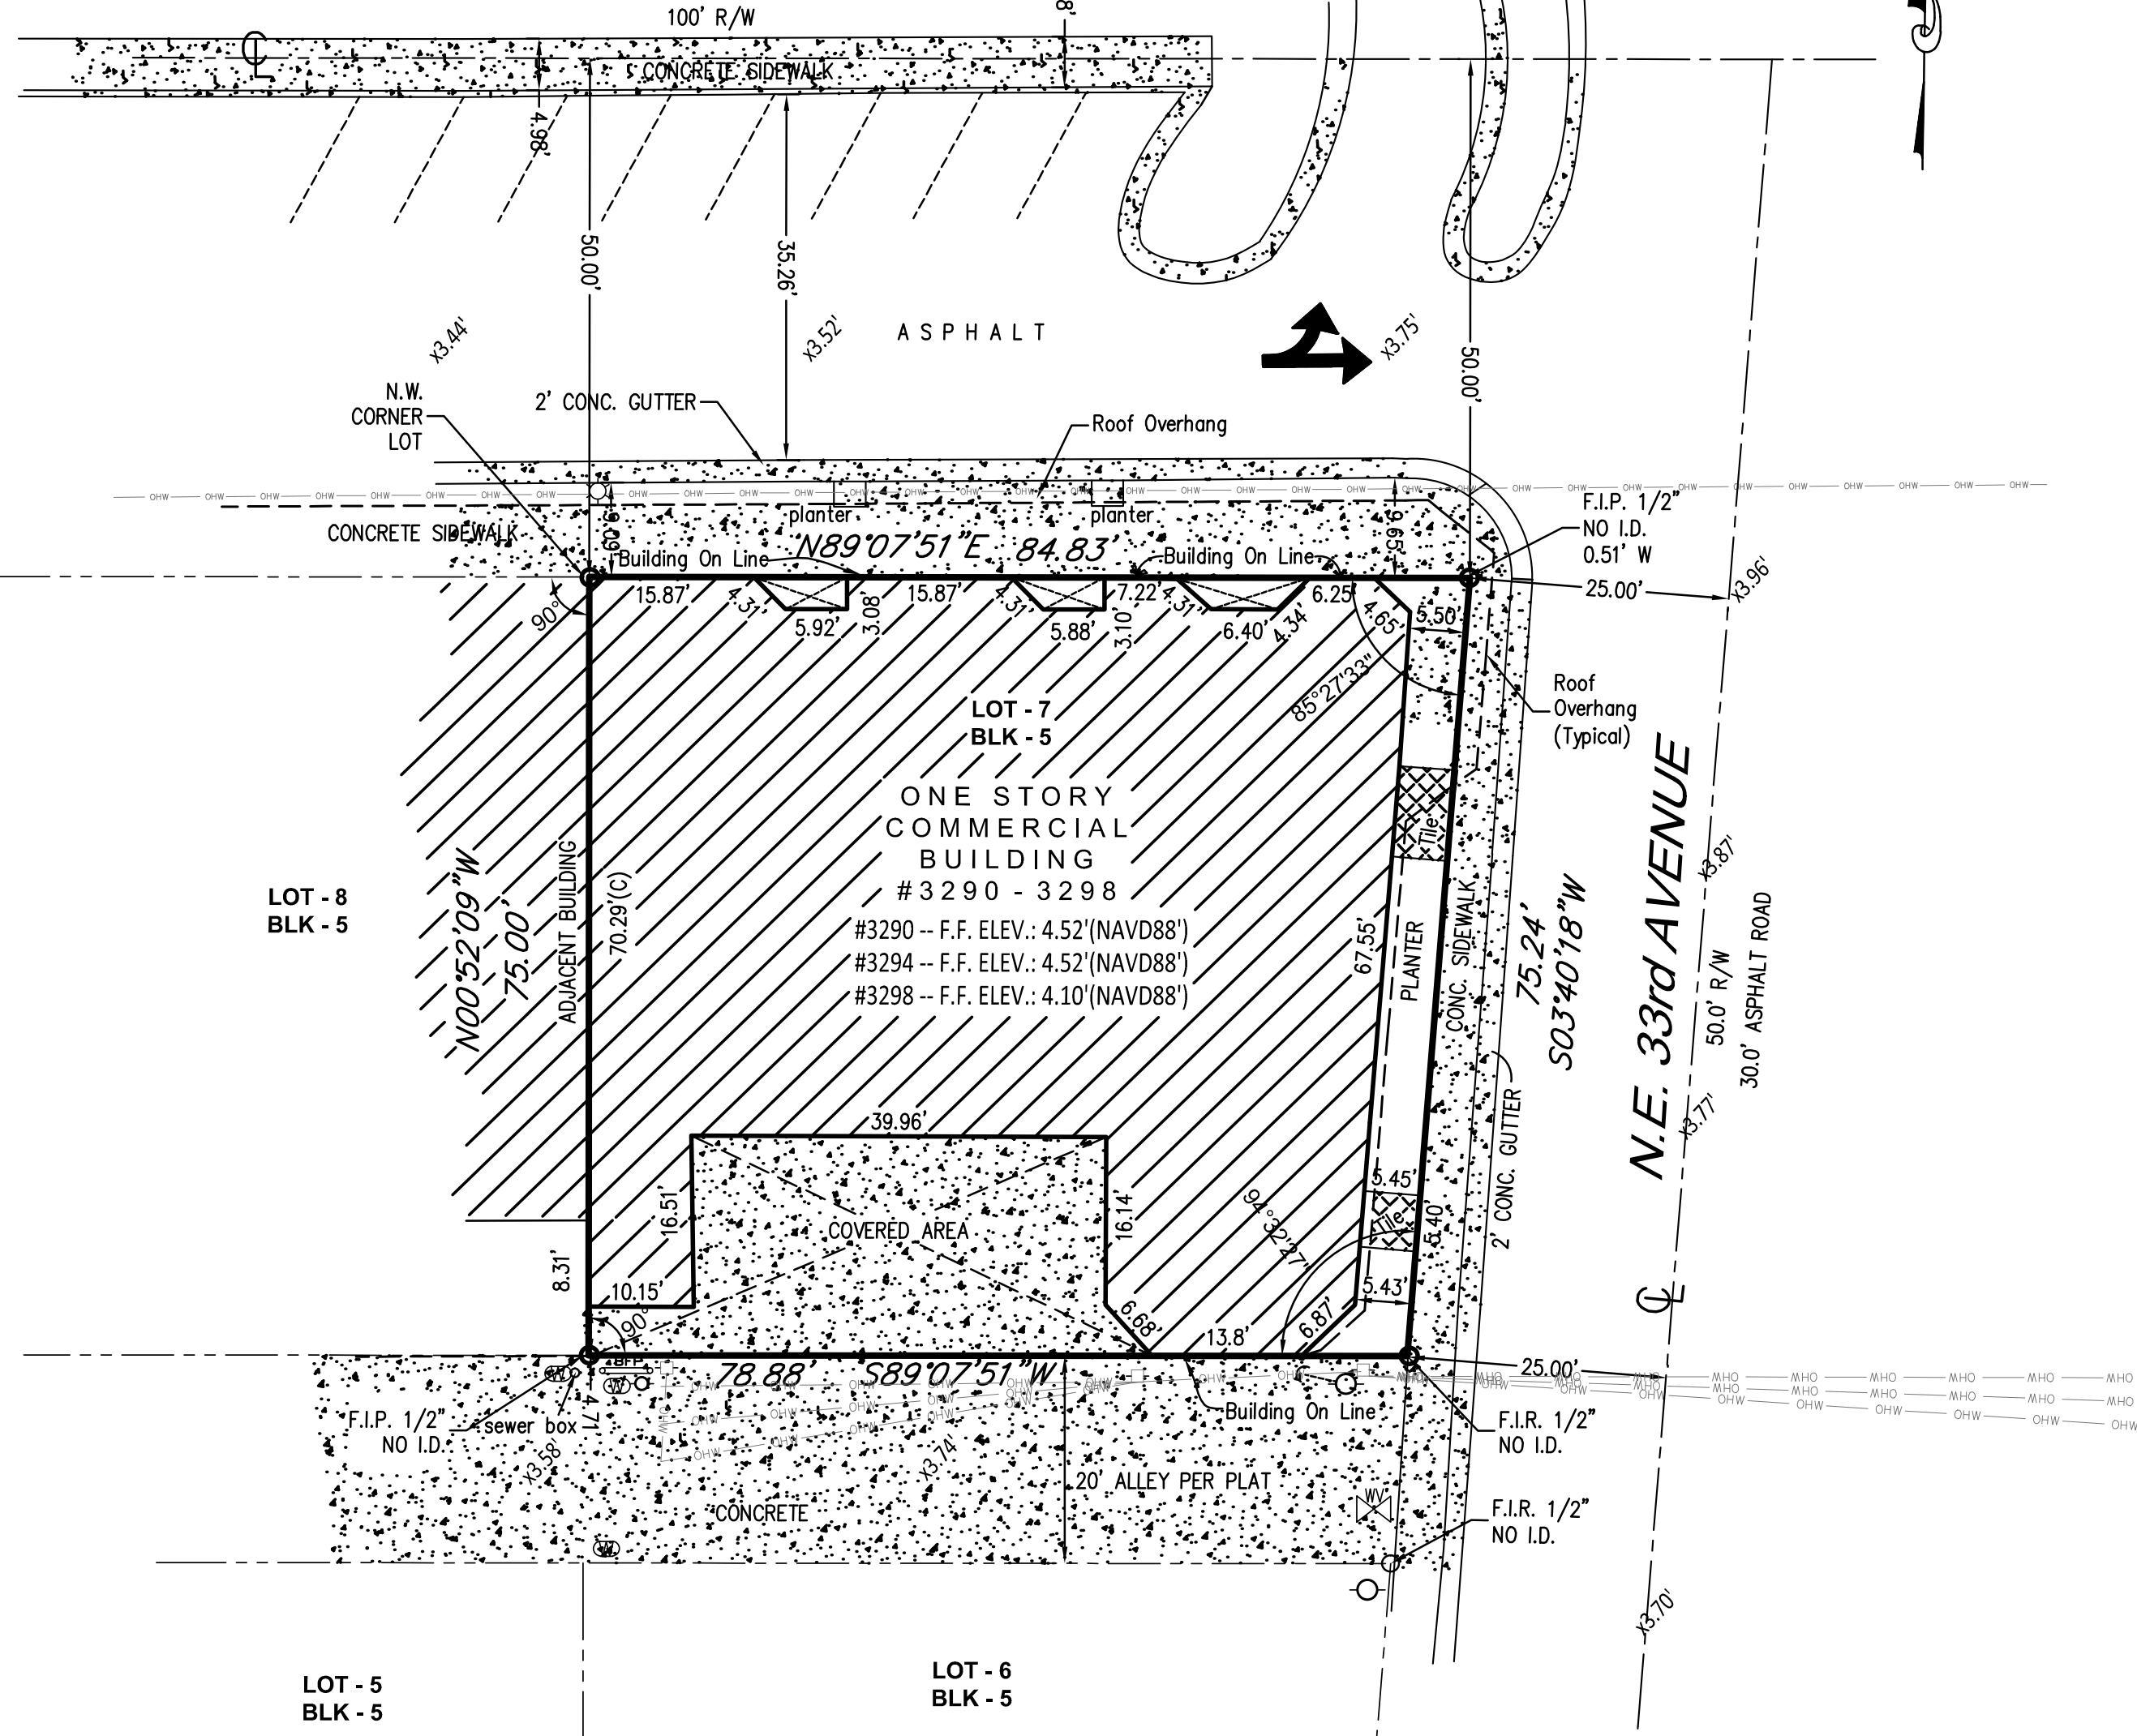

Granting of the Special Exception Request is respectfully requested.
