INSTRUCTIONS AND AGREEMENT FOR PARKING PERMIT HOLDER

1. Parking permits are sold on a **first-come first-served** basis. The permit does not guarantee that there will always be a parking space available. Permits are not assigned a specific space and do not give the bearer preference for parking. The City has full and sole discretion to sell, renew, or not to renew any monthly permit.
2. The City reserves the right to require proper identification, including but not limited to, **driver's license and vehicle registration.**
3. The permit is valid only through the last day of the fiscal year, calendar year or month (dependent on permit type). A permit must be current on the first day of every year/month. Citations will be issued for expired permits.
4. Parking spaces may not be reserved.
5. Permit is not valid when special event parking is in effect. Permit holders will be responsible for finding alternative parking arrangements or pay the Special Events flat rate.

MONTHLY EV CHARGING STATION PERMIT

6. Parking fees are **not refundable**. If for any reason permit holder pays to park, the parking fee will not be refunded.
7. Permit use may be revoked at the discretion of the Parking Services Division if the City witnesses or receives evidence of the misuse, abuse, or improper use of permit.
8. Permit fees are paid in advance and are due at the time of purchase. If permits are paid for through City invoice, the invoice account must be paid in full prior to the first day of the fiscal year, calendar year or month (dependent on permit type) for which the invoice permits are valid. If the customer's check payment is not received timely, returned or rejected by the issuing agency the current permit(s) will be considered **void** and citations will be issued.
9. Parking citations will be issued if warranted without exception for any violation of these instructions and for any violation of City Ordinances and local or state laws. **Parking citations will not be voided**. The City reserves the right to revoke issued permits or not to renew permits based on violation of these terms. The City reserves the right to pursue any and all legal remedies to any infractions of these instructions.
10. The terms, conditions and restrictions set forth herein are subject to change and the City of Fort Lauderdale reserves the right to discontinue this program at any given time. Permit fees are subject to change without notice.
11. Permits may not be refunded or transferred.
