

Memorandum

Memorandum No: 24-135

Date: September 12, 2024

To: Honorable Mayor, Vice Mayor, and Commissioners

From: Susan Grant, Acting City Manager *Susan Grant*

Re: UPDATE: Removal of Traffic Signal Mast Arms at State Road A1A and Vistamar Street

On September 10, 2024 through Commission Memo 24-132, the City Commission were notified that the Florida Department of Transportation (FDOT) would be removing traffic signal mast arms at the intersection of State Road A1A and Vistamar Street by Thursday, September 12, 2024.

Earlier today City staff received communication from FDOT advising that due to unforeseen circumstances, the removal of the mast arms will be delayed by a week and is scheduled to take place by Thursday, September 19, 2024.

Portable traffic signals will be deployed and operational by Tuesday, September 17, 2024. All existing traffic and pedestrian patterns will be maintained under this temporary condition. The portable traffic signals will remain in place until a temporary span wire traffic signal system is designed and installed which is anticipated for 2025. Ultimately, all the mast arms at this intersection will be permanently replaced as part of a future construction project scheduled for March of 2026.
