CASE COMMENTS:

Please provide a written response to each of the following comments:

1. The survey provided shall be based on a Standard Title Commitment issued by a title insurer licensed to do business in Florida or an Opinion of Title issued by an attorney admitted to the Florida Bar.
2. Provide letters from all franchise utility providers, including Public Works as appropriate, demonstrating their interest in maintaining or no objection to the vacation of this right-of-way. The letters should specifically state whether the utility owners have existing facilities within the right-of-way vacation area that will need to be relocated or abandoned. A survey of the location of the utilities shall be provided for staff review. Should relocation be necessary, the full cost of relocation shall be borne by the Applicant, and the utility relocation plan shall be reviewed and approved prior to implementation.
3. Please be advised that the vacating ordinance shall not be in full force and effect until an Engineer's Certificate is executed by the City Engineer or designee. This Engineer's Certificate shall be executed by the proper authorities and recorded in the public records of Broward County. A copy of the recorded certificate is to be provided to the City upon recordation. The City Engineer's certificate shall also state that all existing facilities located within the vacated right-of-way have been relocated or abandoned to the satisfaction of the respective utility owners.
4. Please be advised that additional Easements may need to be dedicated to the City resulting from the Vacation of Rights-of-Way approval process, including Utility Easement(s) that allow the City perpetual maintenance access to existing public sewer, storm drain, and water infrastructure, and Access Easement(s) that mitigate an otherwise dead-end Alley condition.
5. Be advised documents such as easement and/or right-of-way deed, joinders, consents and Attorney's Opinion of Title may be necessary at time of approval.

Additional comments may be forthcoming at the meeting.
